

Initial Survey – Westonia RAC Streetscape Project

Council previously endorsed an application to the RAC's Reconnect WA Initiative in 2022-23, providing up to \$1 million to co-fund projects and partner with local governments across WA.

Council were keen to continue with the streetscape enhancements to compliment the already impressive Facades and features enjoyed by the community and visitors to the town.

Over the past few weeks Council has conducted a surveymonkey on the **Wolfram Streetscape Improvements Project/Survey** and receive the following feedback from the community on these areas.

Please see below Survey results

- > Seating and shade were popularly requested in the survey.
- > The most popular historic Westonian businesses selected for use on the little shops in descending order were the Pioneer Bakery, the Edna May Dairy, the Edna May Laundry, the SE Stubber Family Butcher and the Nurse Petterson Maternity Home (both polled exactly the same at 46.15%, see Little Shop themes below). As we are only doing 4 little shops, it is recommended that the Nurse Petterson Maternity Home is used due to the uniqueness of this early Westonian business rather than the SE Stubber Family Butcher on this occasion.
- > There was no standout winner on the preferred theme for the art mural on the small shop

next to the Coop, with 38.46% of respondents selecting the Westonia Agencies Hardware theme and exactly the same percentage (38.46%) selecting the Westonia's First Post Office theme, with the remaining 23.08% preferring a different theme (see Art Mural on the Small Shop next to the Coop). As the Westonia Agencies Hardware theme is more closely related to this part of the main street, this theme is possibly more appropriate. However, as the First Post Office is an interesting historical story in itself and as suggested by a community member, perhaps something else could be done to showcase the contrast between the current post office and what the town began with.

- > The most popular orchids selected for an orchid theme on the Coop windows (which was selected by 53.8% of respondents) in descending order were the Donkey Orchid, the Jack in the Box Orchid, and then the Spider Orchid, Blue Fairy Orchid and Sugar Candy Orchid (the last 3 orchids all polled the same at 50%, see Art for the 3 Coop Windows below). As the Blue Fairy Orchid was used on the art mural painted on Mukinbudin's main street, it was recommended that the artist use the Donkey Orchid, the Jack in the Box Orchid and the Sugar Candy Orchid.

These and other improvements will continue to be upgraded to make our town even better.

Richie Pavledis came to Western Australia while in his teens and began honing his drumming skills with several local bands including Prayer Wheel, Buckshot, Slave and Barrelhouse. The 70's gave way to the 80's, by which time he had worked the blues circuit with the likes of the Dave Hole band, and the country scene with Alby Pool's No City Limits and of course the Hot Biscuit Band. Over time Richie found a blend of styles that suited him. His focus these days is mostly on his solo career and working a lot overseas. Richie's songs are currently being played in many radio stations all over the world.

BUSHFIRE FIGHTING TRAINING

The Council at its December Council meeting resolved that for volunteers to be included on the Westonia Bush Fire Brigades volunteer register, a minimum standard of training is required which currently is the BFS Bush Fire Fighter. Fire Control Officers (FCO's) will be required to complete the BFS Advanced Firefighter course.

Council have organized for DFES to visit Westonia during the week of 20 – 24 March to undertake the training locally so as to avoid volunteers undertaking the training in Northam or Perth.

It is intended that Monday 20th and Tuesday 21st March be a (1 day course for both days) for experienced volunteers. It is hoping that at least 30 attendees attend each session.

Wednesday 22nd March will be the Advanced Firefighting course for the FCO's

Thursday 23rd and Friday 24th March is set aside as a 2 x day course for inexperienced volunteers to complete the BFS Firefighting course.

Registrations and further information will be provided soon so please keep these dates free.

Pennants

The men's pennant teams travelled to Yilgarn (Southern Cross) on the 18th February and came back with an impressive win against Bruce Rock Purple 8 to 0 which put them into 2nd place on the pennant ladder. Unfortunately the trip to Corrigin on the 25th ended with a disappointing 8 to 0 loss to Corrigin Gold. With one more game after Country week, the Men's Pennant ladder is looking very interesting. The men will remain in the four regardless of the next game scores. Here is hoping that with a full contingent of players back for the finals they will get back to their dominant winning force.

The ladies travelled to Corrigin on the 15th February with a loss on both rinks. 0 to 4 points to Corrigin Blue. They again travelled to Corrigin on the 22nd February and triumphed over Corrigin Gold 4 point to 0. This put our Ladies team firmly at the top of the pennant Table. A first in the ladies' pennants ever. Congratulation to all our lady bowlers – Wessy Wandereers Wonderwomen.

Pennant finals will be in Civic on the 8th March.

On the Road Again

Two teams of ladies' travelled to Yilgarn via the Com V on the 26th February to compete in the Southern Cross Ladies Open Day. A couple of good wins but not enough to be in the winning circle. Once again we came home with the raffles having won five out of the ten. We can always say we ALWAYS win something. Well done to Kay, Helen, Kylie, Ada Margie, Liz, Heather and Ainslie.
