WESTONIA PROGRESS FUEL DEPOT

For public information, the new depot is set up only to take Visa and Mastercard debit cards. All other debit cards and Pensioner cards will not work.

ROADWORKS

The construction crew have been busy with the 3.8KM reconstruction of Della Bosca RD and preparing it for sealing.

Razorback is a quique company providing precision sharpening services for knives, garden tools and scissors of all types. We feel that we can provide a service to almost every person who owns any of these items. We are the only BESS certified sharpening company in Australia.

They will be joining us at the Wessy Christmas Markets so remember to bring your knives, garden tools and scissors if they need sharpening!

THANK YOU FROM OUR W2W CHARITIES

I am writing to express heartfelt gratitude for your generous donation offer of \$3000 to Cancer Council WA. Your contribution is invaluable and will directly impact our education, research, and prevention programs.

Your donation will assist in many ways. With \$3000, we can contribute to a cancer prevention staff member delivering vital information sessions in the community. Additionally, your donation will aid in analysing two gene samples for a critical research project, bringing us closer to advancements in cancer understanding and treatment.

Your generosity fuels our mission, and we are deeply appreciative of your support. If you have any questions or would like more information about placing the donation, please reach out.

Thank you once again for making a difference.

Emmalinda Saraullo – Cancer Council WA

"On behalf of the entire Campaign, I would like to thank the Shire of Westonia and all involved in the Warralakin to Westonia Challenge for a great day and for the kind donation in support of such an important cause.

Unfortunately Coward Punch deaths are still happening, and we can all agree that one death is one too many. For those who survive, a coward punch assault causes significant life-long physical and mental injuries so the need for awareness and education to change behaviour is essential.

The fact is that literally thousands of people including the victims, the perpetrators, the witnesses, first responders and friends and family are all traumatised by coward punch attacks every year in Australia. It must stop."

Danny Green, Founder - Stop the Coward Punch Campaign.

"Blue Tree Project is so grateful for the support shown, not only from the 'W2W challenge', but those in regional WA who continue to show up for us. We are so appreciative of all the moving parts that are involved in an event like this and congratulate all individuals that helped make the day such a success. You should all be proud to have such a thriving supportive community that surround you!"

Kendall White – Founder & CEO Blue Tree Project

By all accounts it was a fantastic day. We are very grateful for your generous donation (of \$7,000.00) to our subcentre.

Lisa Granich – St John Southern Cross Subcentre

We are so grateful to the shire of Westonia for their fundraising efforts via the Warralakin to Westonia Challenge. We look forward to seeing the impact these funds will have on our clients.

Jessica Malcolm - Community Fundraising Coordinator Breast Cancer Care WA

BREAST CANCER AWARENESS FUNDRAISER

A big thankyou to everyone that came to be apart of our pink it up event, fundraiser and awareness for breast cancer. What a wonderful afternoon playing barefoot bowls, followed by nibbles, raffles that were donated and guest speaker Kerry for sharing her experience. A huge thankyou for everyone who contributed and was apart of the event and over the weekend. We raised a total of \$827.

Big shout out to Kila for making the delicious creative cakes, Di and Jonesy, and Ainslie for all the help to make the night what it was. All proceeds will be donated to the McGrath foundation.

COMMUNITY NEWS

MACRAME WORKSHOP

On Saturday the 7th of October, 7 ladies got all twisted up with knots at a wonderful day of Macrame. Our instructor Shelley Kowalksi from Albany taught us several different knots that we used to make a plant hanger and wall hanging art. It was harder for some of us than we thought but it did make our brains work over time. There was a pop-up shop which some ladies took advantage of and guess what you will be getting for Christmas. It was a fantastic day, enjoyed by all that attended.

BOWLS GREEN OPENING

Friday the 29th of September marked the official opening of the brand new bowling green in Westonia. This momentous occasion marks the beginning of a new era for our community, where camaraderie and sportsmanship will flourish. We extend our gratitude to all who have contributed to this project, and we look forward to countless memories to come. Let the games begin!
