# **Council Meetings**

Council Meetings are held at 4.00pm on the third Thursday of each month in the Council Chambers at the Shire of Westonia Administration Centre located at 41 Wolfram Street, Westonia.

Visit <u>www.westonia.wa.gov.au</u> or call (08) 90467063 for the 2025/2026 Ordinary Meetings of Council dates, which will be available after December 2025.

Meeting agendas and minutes are available from the Shire's Library/Administration Centre, or can be downloaded from the website.

|                   | Council Meeting Dates |                        |
|-------------------|-----------------------|------------------------|
| 17 July 2025      | 20 November 2025      | 16 April 2026*         |
| 21 August 2025    | 18 December 2025      | 21 May 2026*           |
| 18 September 2025 | 19 February 2026*     | 18 June 2026*          |
| 16 October 2025   | 19 March 2026*        | * date to be confirmed |

# **Council Elections**

Local government elections will be held in October 2025, the terms are ending for:

Cr Mark Crees

Cr Daimon Geier

Cr Bill Huxtable

Residents are automatically enrolled to vote if they are on the State Electoral Roll. If you are not on the state Electoral Roll and meet the eligibility criteria, or in you have changed address recently, you must complete and enrolment form. Enrolment forms are available from the Shire of Westonia Administration Building, all Post Offices or the West Australian Electoral Commission (call WAEC on 13 63 06).

If you are not on the State or Commonwealth Electoral Roll, and own or occupy rateable property in the Shire of Westonia you may be eligible to enrol to vote. This applies if you were on the Shire of Westonia last electoral roll prior to May 1997 and have owned or occupied property in the district continuously since this time. Please contact the Shire of Westonia for details.

Owners of land who were on the last roll of the Local Government continue to retain that status until they cease to own the rateable property to which the enrolment relates.

Occupiers do not have continuous enrolment and should Contact the Shire of Westonia to confirm their enrolment status. To be eligible to enrol as an occupier, you will need to have a right if continuous occupation under a lease tenancy agreement or other legal instrument for at least the next three months following the date of application to enrol.

Pg. 06 Our Shire

# **Our Shire**

The Shire of Westonia covers an area of 3268km² in the Wheatbelt of Western Australia and has a Shire population of approximately 277 (ABS, Census, 2011). The Shire comprises of one town site, that being Westonia with

- 121km km of sealed roads and 764km of unsealed roads
- The total number of dwellings within the Shire is 164 (ABS, Census, 2011)
- Within the Shire households there are 43.3% couple families with children, 52.2% couple families without children and 4.5% one parent families.
- Key industries include cereal, sheep, mining, transport, tourism, retail, trade services, earthmoving and education

#### Role of The Shire of Westonia

The Shire of Westonia is a local government body established under the Local Government Act to deliver services and infrastructure to its communities. The roles and responsibilities of Local Government differ across the state, but the Shire of Westonia actively services its community in a variety of ways namely:

- Infrastructure and associated services, including local roads, footpaths, drainage, waste collection and management
- Provision of recreation facilities, such as parks and gardens, sports oval, swimming pools, Recreation Centres, Town Halls and caravan parks
- Care of the environment
- Health services such as water and food inspection, toilet facilities, noise control and animal control
- Community services such as community transport, emergency services and welfare services
- Building services, including inspections, licensing, certification and enforcement
- Carrying out government and private sector works,
- Tourism promotion and development,
- Access to land, planning and development approvals,
- Administration of facilities.
- Cultural facilities and services, such as libraries,
- Lobbying and working with State and Federal Government, regional organisations and agencies,

Pg. 07 Our Shire

- Advocating for local needs whilst operating in a regional context,
- Corporate Governance to ensure it delivers good decision making, leadership and professional management

# Statement of Rating Information 2025/2026

# Including Objects and Reasons for the Current Rating Structure

This Statement is published by the Shire of Westonia in accordance with Section 6.36 of the Local Government Act 1995 to advise the public of its objectives and reasons for implementing differential rates.

The purpose of levying of rates is to meet Council's budget requirements in each financial year in order to deliver services, facilities and community infrastructure. Property valuations provided by the Valuer General are used as the basis for the calculation of rates each year. Section 6.36 of the Local Government Act provides the ability to differentially rate properties based on zoning and/or land use as determined by the Shire of Westonia. The application of differential rating maintains equity in the rating of properties across the Shire, enabling the Council to provide facilities, services and infrastructure to the entire community and visitors to the area.

### **Gross Rental Values (GRV)**

The Local Government Act 1995 provides that properties of a Non-Rural purpose be rated using the Gross Rental Valuation (GRV) as the basis for the calculation of annual rates. The Valuer General determines the GRV for all properties with a non-rural purpose within the Shire of Westonia approximately every five years and provides a GRV. The current valuation is effective from 1 July 2024. Interim valuations are provided regularly to Council by the Valuer General for properties where changes have occurred during the year (i.e. subdivisions or strata title of property, amalgamations, building constructions, demolition, additions and/or property rezoning). In such instances Council recalculates the rates for the affected properties and issues interim rate notices.

#### **GRV - General Rate**

All land within the Shire used for non-rural purposes (GRV) is rated using a uniform GRV Rate. The uniform rate is calculated and adopted after the consideration of many factors such as current economic conditions, increases to land valuations as assessed by the Valuer General's Office, the infrastructure and service improvement proposals contained in the Budget, as well as other factors. The rate in the dollar set for the GRV-General category forms the basis for calculating all other GRV differential rates.

# Unimproved Values (UV)

The Local Government Act 1995, provides that properties predominantly used for a rural purpose are assigned an Unimproved Value as supplied and reviewed by the Valuer General on an annual basis. The unimproved value of land refers to the market value of the land in its natural state without improvements such as buildings, fences, dams etc. Interim valuations are provided regularly to Council by the Valuer General for properties where changes have occurred during the year (i.e. subdivisions of property, amalgamations, and/or property rezoning). In such instances Council recalculates the rates for the affected properties and issues interim rate notices. It is considered that for this financial year the valuations imposed by the Valuer General provides the capacity for the additional rate contributions that may be required from different zoning/land use and therefore the need for a differential rate is not deemed necessary.

### **GRV Differential Rate - Mining**

The Local Government Act provides for rural use properties used for mining, exploration or prospecting purposes are assigned a Gross Rental Value supplied and reviewed by the Valuer General. It refers to all land for which a mining tenement has been issued by the Department of Mines and Petroleum (DMP), and valued as such by the Valuer General's Office.

The valuation determined by the Valuer General for mining tenements is calculated by multiplying the following factors.

- Rental cost of the tenement type (mining lease, prospecting lease, exploration license, petroleum producing licence etc);
- GRV basis as determined by the DMP, and
- Tenement/license area

The valuation of mining tenements is not reviewed each year, as occurs with other UV properties and only changes when the tenement rental is amended

### Objects and Reasons for GRV Mining Differential Rate

Land used for Mining is rated higher than the GRV-General rate to improve fairness and equity outcomes by:

- Ensuring mining rates payable are no less than the average rates payable, per property, in part to;
  - compensate for the different method and comparatively lower valuation level:
  - to recognise the often short term tenure of mining projects in the region; and
  - to maintain comparability with other commercial operations in the rural sector.
- Applying a percentage premium above the average rates payable, per property, at a level determined by the Council, to reflect the following:
  - the impacts of higher road infrastructure maintenance costs to Council as a result of frequent very heavy vehicle use over extensive lengths of roads throughout the year;
  - additional emergency service arrangements that have to be put in place;
  - the monitoring of environmental impacts of clearing, noise, dust and smell;
  - planning, building and health assessment cost; and
  - additional costs of amenities and services provided to cater for the employees of the mining operations, such as recreation, parking and law, order and public safety due to the increased population of the 160 man mining camp situated in the Westonia townsite which almost triples the population of the town and creates a massive burden on Council's resources.

# **Minimum Payments**

The setting of general minimum payment level within all rating categories is an important method of ensuring all properties contribute an equitable rate amount to non-exclusive services.

# **Objections & Appeals**

Objections to valuations must be lodged with the Valuer General's Office within 60 days after issue of the rates notice. Rates are still required to be paid if an objection is lodged with a refund paid if the objection is successful. Forms are available from the Shire Office or on our web site.

Under the provisions of the Local Government Act 1995, a property owner is able to lodge an objection to the rates imposed by a Council on the following grounds:

- There is an error on the rate assessment, either in respect to the owners or property details; or
- The characteristics of the land differ from that used in the differential rating system. The objection is to be received within 60 days of the issue of the rate notice.

Please contact Shire Staff if you would like to discuss this matter further.

#### Pensioner's Discount

Eligible Pensioners are entitled to receive a discount on their rates. Council shall determine the nature and extent of entitlement from details as at 1 July, in relation to ownership and occupation. Also a pro-rata rebate amount will be paid if a person becomes the holder of an eligible card type during the financial year which is effective from the date of registration. A deferral arrangement is also possible.

If the circumstances of a Pensioner, who is already claiming the rebate, have changed during the previous year, they will need to update their details (ie. card number, etc) with Council.

Submissions are invited from any Elector or Ratepayer with respect to the proposed differential rate within 21 days of the date of the notice of intent.

All submissions in writing should be forwarded to the Shire of Westonia no later than 12.00pm Monday 16<sup>th</sup> June 2025.

# Where will my rates go??? 2025/2026

For every \$100 the Shire of Westonia will spend in 2025/2026 is: -

\$18.00 on Recreation & Culture

\$10.00 on Economic Services

#### **1 BASIS OF PREPARATION**

The annual budget of the Shire of Westonia which is a Class 4 local government is a forward looking document and has been prepared in accordance with the Local Government Act 1995 and accompanying regulations.

#### Local Government Act 1995 requirements

Section 6.4(2) of the Local Government Act 1995 read with the Local Government (Financial Management) Regulations 1996 prescribe that the annual budget be prepared in accordance with the Local Government Act 1995 and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 Leases which would have required the Shire to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this annual budget have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the annual budget has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities

#### The local government reporting entity

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this annual budget.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 11 to the annual budget.

#### 2024/25 actual balances

Balances shown in this budget as 2024/25 Actual are estimates as forecast at the time of preparation of the annual budget and are subject to final adjustments.

#### **Budget comparative figures**

Unless otherwise stated, the budget comparative figures shown in the budget relate to the original budget estimate for the relevant item of disclosure.

#### Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

#### Rounding off figures

All figures shown in this statement are rounded to the nearest dollar.

#### Statement of Cashflows

Investing and financing transactions that do not require the use of cash or cash equivalents shall be excluded from a statement of cash flows. Such transactions shall be disclosed elsewhere in the financial statements in a way that provides all the relevant information about these investing and financing activities.

#### Initial application of accounting standards

During the budget year, the below revised Australian Accounting Standards and Interpretations are expected to be compiled, become mandatory and be applicable to its operations.

- AASB 2020-1 Amendments to Australian Accounting Standards
- Classification of Liabilities as Current or Non-current
   AASB 2022-5 Amendments to Australian Accounting Standards
- Lease Liability in a Sale and Leaseback
- AASB 2022-6 Amendments to Australian Accounting Standards
- Non-current Liabilities with Covenants
- · AASB 2023-1 Amendments to Australian Accounting Standards
- Supplier Finance Arrangements
- AASB 2023-3 Amendments to Australian Accounting Standards
- Disclosure of Non-current Liabilities with Covenants: Tier 2
- · AASB 2024-1 Amendments to Australian Accounting Standards
- Supplier Finance Arrangements: Tier 2 Disclosures

It is not expected these standards will have an impact on the annual budget.

· AASB 2022-10 Amendments to Australian Accounting Standards - Fair Value Measurement of Non-Financial Assets of Not-for-Profit Public Sector Entities, became mandatory during the budget year. Amendments to AASB 13 Fair Value Measurement impacts the future determination of fair value when revaluing assets using the cost approach. Timing of future revaluations is defined by regulation 17A of Local Government (Financial Management) Regulations 1996. Impacts of this pronouncement are yet to be quantified and are dependent on the timing of future revaluations of asset classes. No material impact is expected in relation to the 2025-26 statutory budget.

#### New accounting standards for application in future years

The following new accounting standards will have application to local government in future years:

- · AASB 2014-10 Amendments to Australian Accounting Standards
- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture
- AASB 2024-4b Amendments to Australian Accounting Standards - Effective Date of Amendments to AASB 10 and AASB 128
- [deferred AASB 10 and AASB 128 amendments in AASB 2014-10 apply]
- AASB 2022-9 Amendments to Australian Accounting Standards
- Insurance Contracts in the Public Sector
- · AASB 2023-5 Amendments to Australian Accounting Standards
- Lack of Exchangeability
- · AASB 18 (FP) Presentation and Disclosure in Financial Statements
- (Appendix D) [for for-profit entities]
- · AASB 18 (NFP/super) Presentation and Disclosure in Financial Statements
- (Appendix D) [for not-for-profit and superannuation entities]
- · AASB 2024-2 Amendments to Australian Accounting Standards
- Classification and Measurement of Financial Instruments
- AASB 2024-3 Amendments to Australian Accounting Standards
- Standards Annual Improvements Volume 11

It is not expected these standards will have an impact on the annual budget.

#### Critical accounting estimates and judgements

The preparation of the annual budget in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

As with all estimates, the use of different assumptions could lead to material changes in the amounts reported in the financial report.

The following are estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and further information on their nature and impact can be found in the relevant note:

- Fair value measurement of assets carried at reportable value including:
  - Property, plant and equipment
- Infrastructure
- · Expected credit losses on financial assets
- · Assets held for sale
- Impairment losses of non-financial assets
- Investment property
- · Estimated useful life of intangible assets
- · Measurement of employee benefits
- · Measurement of provisions

#### 2. RATES AND SERVICE CHARGES

The Shire did not raise specified area rates for the year ended 30th June 2026.

Instalment plan charges

Instalment plan interest

All rateable properties within the district used predominately for non-rural purposes are rated according to their Gross Rental Valuation (GRV), all other properties are rated according to their Unimproved Valuation (UV).

The general rates detailed for the 2025/26 financial year have been determined by Council on the basis of raising the revenue required to meet the estimated deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than general rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum payments have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

#### 2. RATES AND SERVICE CHARGES (CONTINUED)

#### (b) Interest Charges and Instalments - Rates and Service Charges

The following instalment options are available to ratepayers for the payment of rates and service charges.

#### **Option 1 (Full Payment)**

Full amount of rates and charges including arrears, to be paid on or before 15 September 25 or 35 days after the date of issue appearing on the rate notice whichever is the later.

#### **Option 2 (Two Instalments)**

First Instalment to be made on or before 15 September 25 or 35 days after the date of issue appearing on the rates notice whichever is, later including all arrears and half the current rates and service charges; and

Second instalment to be made on or before 15 November 2025, or 2 months after the due date of the first instalment, which is later.

#### **Option 3 (Four Instalments)**

First Instalment to be made on or before 15 September 25 or 35 days after the date of issue appearing on the rates notice whichever is, later including all arrears and quarter the current rates and service charges;

Second instalment to be made on or before 15 November 2025, or 2 months after the due date of the first instalment, which is later; Third instalment to be made on or before 18 January 2026, or 2 months after the due date of the second instalment, which is later; Fourth instalment to be made on or before 21 March 2026, or 2 months after the due date of the third instalment, which is later.

#### (c) Objectives and Reasons for Differential Rating

#### 2. RATES AND SERVICE CHARGES (CONTINUED)

To provide equity in the rating of properties across the Shire the following rate categories have been determined for the implementation of differential rating.

#### (i) Differential general rate

| Description               | Characteristics  | Objects   | Reasons  |
|---------------------------|--|---|--|
| GRV - Residential         | Properties within the townsite boundaries with a predominant residential land use.     | This rate is to contribute to services desired by the community   | This is considered to be the base rate above which all other GRV rated properties are assessed.  |
| GRV - Mining              | Properties with a land use associated with mining/exploration or prospecting purposes. | The object is to raise additional revenue to contribute towards higher costs associated with mining activity. | This category of rates is higher to raise additional revenue to contribute towards the Shires high infrastructure and maintenance costs associated with mining activity in the area. |
| (ii) Differential Minimur | n Payment  |   |  |
| GRV - Residential         | Properties within the townsite boundaries with a predominant residential land use.     | The object of the minimums is to raise a reasonable contribution from all ratepayers towards the cost of      | The minimum is a realistic contribution that any property  |
| GRV - Mining              | Properties with a land use associated with mining/exploration or prospecting purposes  | providing municipal services.   | should make towards the cost of services provided  |

#### 2. RATES AND SERVICE CHARGES (CONTINUED)

#### (d) Service Charges

The Shire did not raise service charges for the year ended 30th June 2026.

#### (e) Waivers or concessions

The Shire does not anticipate any waivers or concessions for the year ended 30th June 2026.

#### 3. NET CURRENT ASSETS

#### **EXPLANATION OF DIFFERENCE IN NET CURRENT ASSETS AND SURPLUS/(DEFICIT)**

#### Items excluded from calculation of budgeted deficiency

When calculating the budget deficiency for the purpose of Section 6.2 (2)(c) of the *Local Government Act 1995* the following amounts have been excluded as provided by *Local Government (Financial Management) Regulation 32* which will not fund the budgeted expenditure.

#### (c) Non-cash amounts excluded from operating activities

The following non-cash revenue or expenditure has been excluded from amounts attributable to operating activities within the Statement of Financial Activity in accordance with *Financial Management Regulation 32*.

| Activity in accordance with Financial Management Regulation 32. |      | Budget       | Actual       | Budget       |

#### 3. NET CURRENT ASSETS

#### (d) MATERIAL ACCOUNTING POLICIES

#### **CURRENT AND NON-CURRENT CLASSIFICATION**

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Shire's operational cycle. In the case of liabilities where the Shire does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Shire's intentions to release for sale.

#### TRADE AND OTHER PAYABLES

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the financial year that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

#### PREPAID RATES

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Shire recognises revenue for the prepaid rates that have not been refunded.

#### **INVENTORIES**

#### General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

#### **SUPERANNUATION**

The Shire contributes to a number of superannuation funds on behalf of employees. All funds to which the Shire contributes are defined contribution plans

#### INVENTORY - LAND HELD FOR RESALE

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Inventory - land held for resale is classified as current except where it is held as non-current based on the Shire's intentions to release for sale.

#### **GOODS AND SERVICES TAX (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

#### TRADE AND OTHER RECEIVABLES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for grants, contributions, reimbursements, and goods sold and services performed in the ordinary course of business.

Trade and other receivables are recognised initially at the amount of consideration that is unconditional, unless they contain significant financing components, when they are recognised at fair value.

Trade receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

The Shire applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

#### **PROVISIONS**

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### **EMPLOYEE BENEFITS**

#### Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the determination of the net current asset position.

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the determination of the net current asset position.

#### Other long-term employee benefits

Long-term employee benefits provisions are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

#### 4. RECONCILIATION OF CASH

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Estimated cash at the end of the reporting period is as follows:

|  |      | 2025/26   | 2024/25     | 2024/25     |
|--|------|-----------|-------------|-------------|
|  | Note | Budget    | Actual      | Budget      |

#### **MATERIAL ACCOUNTING POLICES**

#### **CASH AND CASH EQUIVALENTS**

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities in Note 3 - Net Current Assets.

#### FINANCIAL ASSETS AT AMORTISED COST

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

#### 5. PROPERTY, PLANT AND EQUIPMENT

#### **MATERIAL ACCOUNTING POLICIES**

#### RECOGNITION OF ASSETS

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

#### GAINS AND LOSSES ON DISPOSAL

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in profit or loss in the period which they arise.

#### **MATERIAL ACCOUNTING POLICIES**

#### **DEPRECIATION**

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Major depreciation periods used for each class of depreciable asset are:

Buildings - specialised Furniture and equipment Plant and equipment

Infrastructure - roads

Infrastructure - footpaths

Infrastructure - parks and ovals

#### AMORTISATION

The depreciable amount of all intangible assets with a finite useful life, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held for use.

The assets residual value of intangible assets is considered to be zero and useful live and amortisation method are reviewed at the end of each financial year.

Amortisation is included within Depreciation on non-current assets in the Statement of Comprehensive Income.

#### 7. BORROWINGS

#### (a) Borrowing repayments

Movement in borrowings and interest between the beginning and the end of the current financial year.

All borrowing repayments, other than self supporting loans, will be financed by general purpose revenue. The self supporting loan(s) repayment will be fully reimbursed.

#### 7. BORROWINGS

#### (b) New borrowings - 2025/26

The Shire does not intend to undertake any new borrowings for the year ended 30th June 2026

#### (c) Unspent borrowings

The Shire had no unspent borrowing funds as at 30th June 2025 nor is it expected to have unspent borrowing funds as at 30th June 2026.

2025/26

2024/25

2024/25

#### (d) Credit Facilities

|  | Budget  | Actual  | Budget  |
|--|---------|---------|---------|
|  | \$      | \$      | \$      |
| Undrawn borrowing facilities           |         |         |         |
| credit standby arrangements            |         |         |         |
| Bank overdraft limit                   |         |         |         |
| Bank overdraft at balance date         |         |         |         |
| Credit card limit                      | 13,000  | 1,000   | 0       |
| Credit card balance at balance date    |         |         |         |
| Total amount of credit unused          | 13,000  | 1,000   | 0       |
|  |         |         |         |
| Loan facilities                        |         |         |         |
| Loan facilities in use at balance date | 551,399 | 600,000 | 587,512 |

#### **MATERIAL ACCOUNTING POLICIES**

#### **BORROWING COSTS**

The Shire has elected to recognise borrowing costs as an expense when incurred regardless of how the borrowings are applied.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature.

Borrowings fair values are based on discounted cash flows using a current borrowing rate.

#### 8. RESERVE ACCOUNTS

#### (a) Reserve Accounts - Movement

#### 12. REVENUE AND EXPENDITURE

#### (a) Revenue and Expenditure Classification

#### **REVENUES**

#### **RATES**

All rates levied under the *Local Government Act* 1995. Includes general, differential, specific area rates, minimum payment, interim rates, back rates, ex-gratia rates, less discounts offered.

Exclude administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

#### **GRANTS, SUBSIDIES AND CONTRIBUTIONS**

All amounts received as grants, subsidies and contributions that are not capital grants.

#### **CAPITAL GRANTS, SUBSIDIES AND CONTRIBUTIONS**

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

#### **REVENUE FROM CONTRACTS WITH CUSTOMERS**

Revenue from contracts with customers is recognised when the local government satisfies its performance obligations under the contract.

#### **FEES AND CHARGES**

Revenues (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

#### **SERVICE CHARGES**

Service charges imposed under *Division 6 of Part 6 of the Local* Government Act 1995. Regulation 54 of the Local Government (*Financial Management*) *Regulations 1996* identifies the charges which can be raised. These are television and radio broadcasting, underground electricity and neighbourhood surveillance services and water. Exclude rubbish removal charges which should not be classified as a service charge. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

#### INTEREST REVENUE

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

#### OTHER REVENUE / INCOME

Other revenue, which cannot be classified under the above headings, includes dividends, discounts, rebates etc.

#### **PROFIT ON ASSET DISPOSAL**

Gain on the disposal of assets including gains on the disposal of long-term investments.

#### **EXPENSES**

#### **EMPLOYEE COSTS**

All costs associated with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences, safety expenses, medical examinations, fringe benefit tax. etc.

Note AASB 119 Employee Benefits provides a definition of employee benefits which should be considered.

#### **MATERIALS AND CONTRACTS**

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses (such as telephone and internet charges), advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc.

Local governments may wish to disclose more detail such as contract services, consultancy, information technology and rental or lease expenditures.

#### **UTILITIES (GAS, ELECTRICITY, WATER)**

Expenditures made to the respective agencies for the provision of power, gas or water.

Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

#### INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

#### LOSS ON ASSET DISPOSAL

Loss on the disposal of fixed assets.

#### **DEPRECIATION ON NON-CURRENT ASSETS**

Depreciation and amortisation expenses raised on all classes of assets.

#### **FINANCE COSTS**

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

#### OTHER EXPENDITURE

Statutory fees, taxes, provision for bad debts, member's fees or levies including DFES levy and State taxes. Donations and subsidies made to community groups.

#### 12. REVENUE AND EXPENDITURE

#### (b) Revenue Recognition

Recognition of revenue from contracts with customers is dependant on the source of revenue and the associated terms and conditions associated with each source of revenue and recognised as follows:

| Revenue<br>Category                                 | Nature of goods and services   | when obligations typically satisfied | Payment terms  | Returns/Refunds/<br>Warranties              | Timing of Revenue recognition  |
|---|--|--------------------------------------|--|---|--|
| Grant contracts with customers                      | Community events, minor facilities, research, design, planning evaluation and services                                       | Over time                            | Fixed terms<br>transfer of funds<br>based on agreed<br>milestones and<br>reporting   | Contract obligation if project not complete | Output method based on<br>project milestones and/or<br>completion date matched<br>to performance obligations<br>as inputs are shared |
| Licences/<br>Registrations/<br>Approvals            | Building, planning,<br>development and animal<br>management, having the<br>same nature as a licence<br>regardless of naming. | Single point in time                 | Full payment prior to issue  | None  | On payment and issue of<br>the licence, registration or<br>approval  |
| Waste<br>management<br>entry fees                   | Waste treatment, recycling and disposal service at disposal sites  | Single point in time                 | Payment in<br>advance at gate or<br>on normal trading<br>terms if credit<br>provided | None  | On entry to facility   |
| Airport landing charges                             | Permission to use facilities and runway  | Single point in time                 | Monthly in arrears   | None  | On landing/departure event   |
| Fees and charges<br>for other goods<br>and services | Cemetery services, library<br>fees, reinstatements and<br>private works  | Single point in time                 | Payment in full in advance   | None  | Output method based on provision of service or completion of works   |
| Sale of stock                                       | Aviation fuel, kiosk and visitor centre stock  | Single point in time                 | In full in advance,<br>on 15 day credit  | Refund for faulty goods                     | Output method based on goods   |

# SHIRE OF WESTONIA NOTES TO AND FORMING PART OF THE BUDGET FOR THE YEAR ENDED 30 JUNE 2026

## 13. PROGRAM INFORMATION

# **Key Terms and Definitions - Reporting Programs**

In order to discharge its responsibilities to the community, Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis, reflected by the Shire's Community Vision, and for each of its broad activities/programs.

# **OBJECTIVE**

#### Governance

To provide a decision making process for the efficient allocation of scarce resources.

# **ACTIVITIES**

Includes the activities of members of council and the administrative support available to the council for the provision of governance of the district. Other costs relate to the task of assisting elected members and ratepayers on matters which do not concern specific council services.

#### General purpose funding

To collect revenue to allow for the provision of services.

Rates, general purpose government grants and interest revenue.

#### Law, order, public safety

To provide services to help ensure a safer and environmentally conscious community.

Supervision and enforcement of various local laws relating to fire prevention, animal control and other aspects of public safety including emergency services.

#### Health

To provide an operational framework for environmental and community health.

Inspection of food outlets and their control, provision of meat inspection services, noise control and waste disposal compliance.

#### **Education and welfare**

To provide services to disadvantaged persons, the elderly, children and youth.

Maintenance of child minding centre, playgroup centre, senior citizen centre and aged care centre. Provision and maintenance of home and community care programs and youth services.

#### Housing

To provide and maintain elderly residents housing.

Provision and maintenance of elderly residents housing.

### **Community amenities**

To provide services required by the community.

Rubbish collection services, operation of rubbish disposal sites, litter control, construction and maintenance of urban storm water drains, protection of the environment and administration of town planning schemes, cemetery and public conveniences.

#### Recreation and culture

To establish and effectively manage infrastructure and resource which will help the social wellbeing of the community. Maintenance of public halls, civic centres, aquatic centre, beaches, recreation centres and various sporting facilities. Provision and maintenance of parks, gardens and playgrounds. Operation of library, museum and other cultural facilities.

# **Transport**

To provide safe, effective and efficient transport services to the community.

Construction and maintenance of roads, streets, footpaths, depots, cycle ways, parking facilities and traffic control. Cleaning of streets and maintenance of street trees, street lighting etc.

#### **Economic services**

To help promote the shire and its economic wellbeing.

Tourism and area promotion including the maintenance and operation of a caravan park. Provision of rural services including weed control, vermin control and standpipes. Building Control.

#### Other property and services

To monitor and control Shire's overheads operating accounts.

Private works operation, plant repair and operation costs and engineering operation costs.
