<b>Disclosure of Interest:</b>	Nil
<b>Attachments:</b>	<b>Attachment</b>
<b>Signature:</b>	<b>Officer</b> <b>CEO</b>

#### Purpose of the Report

Executive Decision  Legislative Requirement

#### Background

Local Governments are required to conduct a Budget Review in accordance with Regulation 33A of the Local Government (Financial Management) Regulations 1996. These Regulations state:

1. "Between 1 January and 31 March in each year a local government is to carry out a review of its annual budget or that year.
2. Within 30 days after a review of the annual budget of a local government is carried out it is to be submitted to the council.
3. A council is to consider a review submitted to it and is to determine\* whether or not to adopt the review, any parts of the review or any recommendations made in the review.

\*Absolute majority required.

4. Within 30 days after a council has made a determination, a copy of the review and determination is to be provided to the Department."

A Budget Review for the period ending 28 February 2018 has been completed and is presented for Council's consideration.

#### Comment

In adopting the 2017/2018 Budget, Council, as required, adopted a level of material variances for reporting purposes. The level of material variance reporting set by Council is \$10,000 and 15%. Staff have used this variance in their analysis.

The nature of the review is to predict estimates of material variations likely to occur as at 30 June 2018.

#### Statutory Environment

Local Government Act 1995,

Local Government (Financial Management) Regulations 1996

#### Policy Implications

Council does not have a policy in relation to this matter.

#### Strategic Implications

<b>File Reference:</b>	
<b>Disclosure of Interest:</b>	Nil
<b>Attachments:</b>	<b>Attachment</b>

#### Purpose of the Report

Executive Decision  Legislative Requirement

#### Background

In accordance with the Local Government (Audit) Regulations 1996, a local government is required to carry out a compliance audit for the period 1st January to 31st December each year against the requirements included in the Compliance Audit Return (CAR).

The completed CAR is required to be presented to Council for consideration and adoption, signed by the Shire President and CEO and subsequently submitted to the Director General of the Department of Local Government before 31st March next following.

#### Comment

The Compliance Audit Return has been a mandatory requirement since the Local Government (Audit) Regulations 1999, were amended and made applicable from 1 January 2000.

All senior staff have been involved in the completion of the Compliance Audit Return, certifying their actions and that of the Council, relating to the return covering the 2017 calendar year.

Staff involved and included in the process included;

- Chief Executive Officer
- Senior Finance Officer
- Works Supervisor

The Return is to be jointly certified by the Shire President and the Chief Executive and subsequently submitted to the Director General of the Department of Local Government before 31st March.

Additionally, staffing levels in small local governments are such that we do not have the quantum or degree of specialisation available to larger local governments. Hence not every question in the CAR has been "fully" researched as to absolute accuracy. The responses are based on some research and memory and made in good faith.

#### Statutory Environment

Local Government (Audit) Regulations 1996 – Regulations 13, 14 & 15 – Compliance Audit Returns.

#### Policy Implications

There are no policies relating to this matter.

#### Strategic Implications

The Local Government Act 1995 and Local Government (Audit) Regulations 1996 apply.

## 9.2 COMMUNITY AND REGULATORY SERVICE

### 9.2.1 WESTONIA SWIMMING POOL UPGRADES

<b>Author:</b>	Jamie Criddle, CEO
<b>File Reference:</b>	
<b>Disclosure of Interest:</b>	Nil
<b>Attachments:</b>	<b>Attachment</b>

#### Purpose of the Report

Executive Decision  Legislative Requirement

#### Background

As part of the Royalties for Regions program, Regional Swimming Pools and Aquatic Centers were eligible to apply for funding of up to \$30,000 per annum to use on capital improvements on their Swimming Pools. Westonia requested to "pool" the monies over multiple years so that significant restoration works could take place as part of an overall capital upgrade.

Unfortunately, with the change of government in March of last year, the Labor government has terminated this fund and requested that the outstanding monies be spent by 30 June 2018.

Council were not in a position to seek CSRFF (Sport & Recreation) funding as part of a larger refurbishment and therefore need to undertake smaller scale refurbishment works prior to 30 June.

Council have a budget of \$95,000 to complete the works required and management have split the works into three (3) separate projects. These being:

1. Removal of Chlorine Gas system and replacing with granulated chlorine feeder and chemical controller.
2. Refurbishment of the gravity sand filter
3. Remove Asbestos roof on pump room, install safety ladder to balance tank.

#### Comment

Quotes have been obtained for the first two projects, with management following up a quote on the third project for the Council meeting.

Aquatic Services WA is extremely pleased to submit the following proposal for the removal of the cl2 gas and replacing with a granulated chlorine feeder and chemical controller

#### Our Scope of work as the following

- Supply and install 1 x procal granular feeder
- Supply and install 1 x DiaLog chemical controller
- Supply and install 1 x bisulphate tank mixer and dosing pump
- Install all the above to Australian standards
- Removal and disposal of all old cl2 gas equipment
- A full written health report on the chemical dosing system

Total for this quote **\$32700.00 + GST.**

Aquatic Services WA is extremely pleased to submit the following proposal for the refurbishment of the gravity sand filter.

**Our Scope of work as the following**

- **Shire Vacuum truck to remove all sand from filter and dispose at your waste site we will assist**
- **Remove and replace all filter nozzles**
- **Torque all nozzles into place**
- **Replace all filter media**
- **Provide written report on filter condition**

Total for this quote **\$28900.00 + GST.**

As this was not a budgeted expense, an absolute Majority decision will be required to progress the project prior to 30 June. All funds will be coming from the Swimming Pool Refurbishment Reserve and will not affect the 2018/2019 Annual Budget.

**Statutory Environment**

Local Government Act 1995,

Local Government (Financial Management) Regulations 1996 Local Government Act, 1995

**6.8. Expenditure from municipal fund not included in annual budget**

(1) A local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure ...

... (b) is authorized in advance by resolution\*; or

\*Absolute majority required. (1a) In subsection (1) -

“additional purpose” means a purpose for which no expenditure estimate is included in the local government’s annual budget ...

**Policy Implications**

Council does not have a policy in relation to this matter.

**Strategic Implications**

Effective financial control.

**Financial Implications**

Council’s 2018/19 Municipal Budget does not contain provision for the unbudgeted item and requires approval from Council to access funds from the Swimming Pool Refurbishment Reserve Account. There are funds in the order of \$95,000 in the Reserve Account.

There will be no impact on Council’s 2016/17 Municipal Budget.

#### Purpose of the Report

Executive Decision

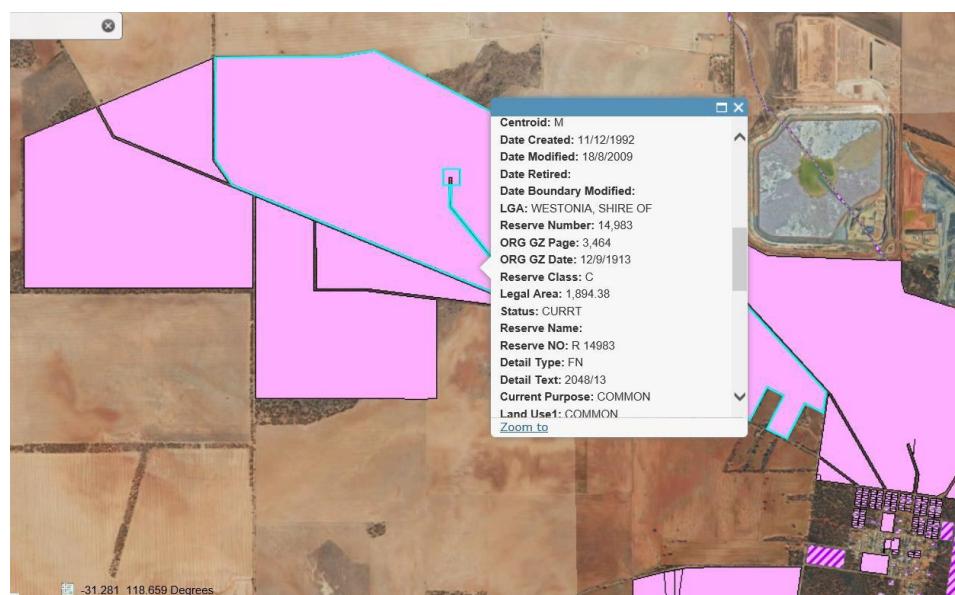

Legislative Requirement

#### Background

For Council to consider submitting an application to the Department of Lands for creation and dedication of a 30 metre road reserve over Westonia Town Common Reserve 14983 for purpose of vehicular access from boundary Road extending to the north along Warrachuppin road.

This report recommends that Council commences the formal process in accordance with the provisions of the Land Administration Act 1997, clause 56.

As Council will be aware, the Greenfinch project has been a topic of conversation for a number of years from previous owners, Evolution and now Ramelius Resources who wish to commence the project in July of this year.

In order to commence the project, a road realignment needs to occur in order to allow the mine to commence and the noise bund to be built, which is proposed to be built on top of the existing Warrachuppin Road (Refer Red section on map "C")

**Comment**

Management met with member of Ramelius to pass information and commence proceedings. The CEO has engaged to services of RoadsWest to commence a design concept that will traverse through the Town Common on Reserve 14983.

A copy of the Roadworks Costing Schedule is attached that will give Ramelius an indication of the estimated cost of the project.

In order for this to be achieved Council needs to have some ownership and control of the land and in discussions with the Department of Lands the simplest way of achieving this is for Council to seek dedication of a 30 metre portion (total clearing allocation of 2.7ha) in the Town Common, Reserve 14983, as road reserve to provide safe access to the mine site entrance and will become part of Warrachuppin Road. For this to happen there are processes that need to be carried out in accordance with the Land Administration Act 1997. It is quite a thorough and bureaucratic process and therefore is important to commence proceedings as soon as possible.

## Roadworks Costing Schedule

### Warrachuppin Road Realignment - Ramelius

### Statutory Environment

Land Administration Act 1995

56. Dedication of land as road

(1) If in the district of a local government —

(a) land is reserved or acquired for use by the public, or is used by the public, as a road under the care, control and management of the local government; or

(b) in the case of land comprising a private road constructed and maintained to the satisfaction of the local government —

(i) the holder of the freehold in that land applies to the local government, requesting it to do so; or

(c) those holders of the freehold in rateable land abutting the private road, the aggregate of the rateable value of whose land is greater than one half of the rateable value of all the rateable land abutting the private road, apply to the local government, requesting it to do so; or land comprises a private road of which the public has had uninterrupted use for a period of not less than 10 years, and that land is described in a plan of survey, sketch plan or document, the local government may request the Minister to dedicate that land as a road.

(2) If a local government resolves to make a request under subsection (1), it must —

(a) in accordance with the regulations prepare and deliver the request to the Minister; and

(b) provide the Minister with sufficient information in a plan of survey, sketch plan or document to describe the dimensions of the proposed road.

(3) On receiving a request delivered to him or her under subsection (2), the Minister must consider the request and may then —

- (a) subject to subsection (5), by order grant the request; or
- (b) direct the relevant local government to reconsider the request, having regard to such matters as he or she thinks fit to mention in that direction; or
- (c) refuse the request.

(4) On the Minister granting a request under subsection (3), the relevant local government is liable to indemnify the Minister against any claim for compensation (not being a claim for compensation in respect of land referred to in subsection (6)) in an amount equal to the amount of all costs and expenses reasonably incurred by the Minister in considering and granting the request.

(5) To be dedicated under subsection (3)(a), land must immediately before the time of dedication be

—

- (a) unallocated Crown land or, in the case of a private road, alienated land; and
- (b) designated in the relevant plan of survey, sketch plan or document as having the purpose of a road.

(6) If land referred to in subsection (1)(b) or (c) is dedicated under subsection (3)(a), a person with an interest in that land (including a person who has the benefit of an easement created under section 167A of the TLA) is not entitled to compensation because of that dedication.

#### **Policy Implications**

Council does not have a policy in relation to this matter.

#### **Strategic Implications**

Effective financial control.

#### **Financial Implications**

All Costs associated with the dedication of the road will have been estimated in the Works Costings and will be fully reimbursed by Ramelius Resources on a periodic basis and will be treated as a Private Works project.
