## OUR VISION

A vibrant community lifestyle

## MISSION

Provide leadership and direction for the community.

## ECONOMIC

Support growth and progress, locally and regionally...

Efficient transport connectivity in and around our Shire.

- Continue to utilise our Road Management Plan, which incorporates a road hierarchy, minimum service levels and maintenance policy.
- RAV Ratings and Shire boundaries are consistent across local government boundaries.
- Lobby and build enduring partnerships with key Government Departments to improve Great Eastern Hwy.
- Actively participate in the Secondary Freight Network group.
- Develop and implement a Road Asset Plan highlighting key funder and strategic partnerships to support sustainability.
- Develop a Gravel Reserve Policy which identifies future gravel reserves and recognises cost to local government.
- Educate road users about road safety and driving on gravel roads.
- Optimal and safe use of our plants and equipment assets.
- Ensure that appropriate RAV vehicles traverse correct RAV routes.
- Maintain our airport with a view to improvements to meet commercial and recreational aviation needs.

Facilitate local business retention and growth.

- Council recognises the opportunity of partnering with Westonia Progress Association, works closely and supports them to help achieve their economic development projects and our strategic goals.
- Council continue to have a role in facilitating the presence of a Co-op in our community.
- Enhance local economic activity by supporting the growth of tourism in our Shire and region including applying for funding to improve tourist facilities.
- Improve our online tourism presence.
- We forward plan to improve the economic diversity in our community.
- In partnership with Council, the mine develops long term business plans for current mine assets.
- Investigate options for multipurpose accommodation if vacancies arise in mine accommodation.

## SOCIAL

Provide community facilities and promote social interaction...

Plan for community growth and changing demographics.

- Develop the Town Planning Scheme.
- Plan and develop residential and industrial land.

## 1. DECLARATION OF OPENING

As this meeting is the first official meeting of Council following the nomination and election of newly elected Councillors and a returning Councillor and the end of term for outgoing Councillors the Chief Executive Officer will open the meeting and Chair the process of the Swearing-In of Councillors and the election of the Shire President and Swearing-In of this position.

The CEO declared the meeting open at pm

Following the election of the Shire President, the CEO will vacate the Chair, and the newly elected Shire President will take the Chair and undertake the election process for the Deputy Shire President Position

## 2. PUBLIC QUESTION TIME (4.10PM – 4.25PM)

NIL

## 3. DECLARATION BY NEWLY ELECTED MEMBERS

In accordance with Section 2.29(1) of the *Local Government Act 1995*, a person elected as a Councillor has to make a declaration before acting in the office:

*"2.29(1) A person elected as an elector mayor or president or as a councillor has to make a declaration in the prescribed form before acting in the office."*

Regulation 13 of the *Local Government (Constitution) Regulations 1998* prescribes the form of declaration. This is contained in Form 7 of the Regulations, and is to be made before a person who is authorised to take statutory declarations under the *Oaths, Affidavits and Statutory Declarations Act 2005*.

### COUNCILLOR DECLARATIONS

The Councillors-elect, who were declared elected by the Returning Officer, will make their declarations before the Chief Executive Officer.

The declaration is as follows:

*I, (insert name), of (insert address), having been elected to the Office of Councillor of the Shire of Westonia declare that I take the office upon myself and will duly, faithfully, honestly, and with integrity, fulfil the duties of the office for the people in the district according to the best of my judgement and ability, and will observe the Code of Conduct adopted by the Shire of Westonia under section 5.104 of the Local Government Act 1995.*

## 4. ELECTION OF PRESIDENT

The election of the President will be conducted by the CEO.

The procedure for electing a Shire President is set out in Schedule 2.3, Division 1, of the *Local Government Act 1995* (*see attached*). The process will be as follows:

- Nominations for the office are to be received in writing to the Chief Executive Officer before the meeting, or during the meeting before the close of nominations. Nominations close at the meeting at a time announced by the Chief Executive Officer.
- Councillors are to vote on the matter by secret ballot as if they were electors voting at an election. The votes cast are to be counted, and the successful candidate determined in accordance with Schedule 4.1 of the *Local Government Act 1995* (*see attached*).
- If two or more candidates receive the same number of votes, so that no candidate has the greatest number of votes, the count is to be discontinued and the meeting is to be adjourned for not more than seven days.
- Should this occur, it is intended to initially adjourn the meeting for ten minutes, and then resume the meeting. Any nomination for the office may be withdrawn, and further nominations may be made, before or when the meeting resumes. When the meeting resumes the councillors are to vote again.
- The Chief Executive Officer is to declare and give notice of the result in accordance with regulation 11F of the *Local Government (Constitution) Regulations 1998* (*see attached*).
- Following the announcement of the successful candidate a swearing in of the newly elected President will take place.

#### 4.1 DECLARATION BY PRESIDENT

The Shire President will make the Shire President's Declaration, as prescribed in Form 7 of the *Local Government (Constitution) Regulations 1998*.

The declaration is as follows:

*I, (insert name), of (insert address), having been elected to the Office of Shire President of the Shire of Westonia, declare that I take the Office upon myself and will duly, faithfully, honestly, and with integrity, fulfil the duties of the Office for the people in the district according to the best of my judgement and ability, and will observe the Code of Conduct adopted by the Shire of Westonia under section 5.104 of the Local Government Act 1995.*

### 5. ELECTION OF DEPUTY PRESIDENT

The election of the Deputy President will be conducted by the President.

The procedure for electing a Shire Deputy President is set out in Schedule 2.3, Division 1, of the Local Government Act 1995 (*see attached*). The process will be as follows:

- Nominations for the office are to be received in writing to the Chief Executive Officer before the meeting, or during the meeting before the close of nominations. Nominations close at the meeting at a time announced by the President.
- Councillors are to vote on the matter by secret ballot as if they were electors voting at an election. The votes cast are to be counted, and the successful candidate determined in accordance with Schedule 4.1 of the Local Government Act 1995 (*see attached*).
- If two or more candidates receive the same number of votes, so that no candidate has the greatest number of votes, the count is to be discontinued and the meeting is to be adjourned for not more than seven days.
- Should this occur, it is intended to initially adjourn the meeting for ten minutes, and then resume the meeting. Any nomination for the office may be withdrawn, and further nominations may be made, before or when the meeting resumes. When the meeting resumes the councillors are to vote again.
- The Chief Executive Officer is to declare and give notice of the result in accordance with regulation F of the Local Government (Constitution) Regulations 1998 (*see attached*).
- Following the announcement of the successful candidate a swearing in of the newly elected Deputy President will take place by the CEO or President.

#### 5.1 DECLARATION BY DEPUTY SHIRE PRESIDENT

The Deputy Shire President will make the Deputy Shire President's Declaration, as prescribed in Form 7 of the *Local Government (Constitution) Regulations 1998*.

The declaration is as follows:

*I, (insert name), of (insert address), having been elected to the Office of Deputy Shire President of the Shire of Westonia, declare that I take the Office upon myself and will duly, faithfully, honestly, and with integrity, fulfil the duties of the Office for the people in the district according to the best of my judgement and ability, and will observe the Code of Conduct adopted by the Shire of Westonia under section 5.104 of the Local Government Act 1995.*

### 7. Submitted Agenda Items

#### 7.1 BOC - Election of Representatives

Murray Dixon happy to continue – no one else nominated – Murray Dixon elected again

#### 7.2 Regional LGGS Regional Approach

Murray sent email – Attachment 1

Concept is that the region uses a regional lens for the allocation of appliances through the DOAC. Has been trialled in the south of the state and it has been received well.

ACTION: Discuss at next DOAC – Agenda item at March 2026 Meeting.

### 8. Rural Fire Division Report

Other points

- The State Govt has committed to developing an on the ground mitigation team for the first time. Machinery and trained staff to be used for mitigation.

Shane Hart asked where it will be based – in the metro area but will be utilised statewide as much as possible.

Dept of justice are involved with their program 95. This is where they use low security prisoners to assist the mitigation within an hour of the prison site. Eg. Dowerin Work Camp, Wooroloo prison.

Shane Hart asked where the funding comes from for the program – State govt is paying for the program – utilising a portion of MAF funding and then new funds from State government.

- Bush Fire Management plans – some LG have plans and some don't. They have developed a 'template' and trialled it in the Midwest Gascoyne to assisting LGs to create mitigation plans.

### 11. Local Government Reports

#### Shire of Bruce Rock

- Due to demand from the community, we had a bushfire preparedness day. Mainly for people that are left on properties when partners leave to attend a fire. 25 people attended. Thanks to Justin and Andrae from DFES for assisting with the event.
- Have medal presentation event 25 Sept
- Shackleton truck is in Merredin getting repairs
- Intend to have a training day in October for people entering the fireground – for those that might be bringing in food etc to water points – We will have green vests to identify them as trained and authorised.
- New weather station coming – highest quality we could get.
- BFAC meeting – starting an asset register for equipment like offset discs etc, so we know who the closest is to a fire that may be able to assist with loaning equipment.

#### Shire of Kellerberrin

- Very little to report
- Waiting on replacement Mt Caroline truck
- Hoping to organise training days in next couple of months

#### Shire of Westonia

- Still have issues with rubbish tip and it being ignited. We know it is not local people as there are cameras installed, and it shows different registrations. Considering going down track of a roster system to semi-police the tip when it is open.
- Had few training courses recently – well attended by the younger next generation of volunteers coming through
- All equipment seems to be up to scratch – comms technician were out there recently
- Fuel load was low but growth is taking off now so it will be a reasonable fuel load

#### Shire of Merredin

- Pre-season preparations are well under way
- Really appreciated LG training month hope it continues
- We have IC level 1 and FCO today in Merredin – IC level one hard to get people to do due to timing- next year we'd like more advance notice as it is over 3 days
- Tried new process with annual servicing – Servicing is not always great. The mechanical is fine but not always on the pump side. They often identified issues but wouldn't actually fix what was wrong. This year we are going to a local for mechanical servicing. Spoke with Phil Morgan about the pump side and he recommended a Toodyay based business.

## GREAT EASTERN DISTRICT OPERATIONS ADVISORY COMMITTEE

They came up for 2 days to check over all the trucks, note and order parts for issues and then are returning to make all the fixes. They have picked up many things that have been issues for years so this year will be a big job but should be better in future years. Justin Corrigan asked if this was organised through Phil Morgan and was it frontline? – spoke to Phil Morgan but not organised through him. It was through MM Mechanical – They are also happy to do emergency repairs during fires too.

### Shire of Mount Marshall

- Still have issue with foam fill on Bencubbin truck – fixed last year but it still isn't working. There is a switch not talking to diverter.
- Running short of members in Bencubbin due to illness and other issues
- Difficulties in the north are creating barriers
- Recent rain – fair bit of herbage but still very dry
- Training recently was poorly attended
- 3 year ago Damian wrote letters to water authority to ask them to address the areas around their water tanks as they are dangerous. They only have single tracks in/out with no room to turn a truck around. Main pipes have growth over them which will cause issues to water supplies if a fire goes through. Have had no response.
  - Andrew Sprigg asked if a loader can be brought in by a BFB to clear new access? Damian said they possible could but knows there are cultural areas involved – Justin Corrigan said that due diligence needs to be taken but the RDC can assist in getting the cultural data for them.
- Kelsi Wells asked if Water Corp attend their LEMC and if they had gone through the local contact– Damian stated they don't attend. Kelsi suggested following up through the LEMC representative to see what they can do.
- Water supply tanks were installed under scheme expansion. Since installation there has been confusion if they are Water Corp or LG tanks and who should be maintaining them. A few are broken. The shire working out if they are responsible or not.
- Tank north of Bencubbin is on a stand and Damian has requested the tank be dropped to ground level as it is rickety and dangerous. He won't allow crews to use it until it is fixed.
- Not going to have any fires until after harvest

### Shire of Nungarin

- Not much to report
- Trucks all working and ready to go
- Had foam problem but has fixed that

## GREAT EASTERN DISTRICT OPERATIONS ADVISORY COMMITTEE

### Shire of Mukinbudin

- Since Last meeting – 1 lightning strike and one search we assisted with. (was disappointed that local people and their local knowledge weren't utilised)
- New door at Mukinbudin between sheds
- Same issue with rubbish tips as Westonia – tends to be when rubbish truck does its tip. He has asked for camera to be installed to monitor it

### Shire of Yilgarn.

- Leigh Dal Busco – new CBFCO
- Nothing really to report
- Mt Hampton truck last to be replaced
- BFAC coming up – main topic of conversation is communications- cell phones were relied on but not reliable since 4G changes. Radios will have to come back into use a main form of communication
- Recent rain means there is a heavy fuel load – very green coming into burning season which means burn may not happen

## 12. **DFES Report – Garth Civil/ Justin Corrigan**

- Damien Pumphrey is off on personal leave after injury, but Garth is here to help where he can
- Grain harvest program has had forward base approval for Merredin airstrip
- GM region is currently short staffed with a couple of vacancies in operations area.
- Starting our preparedness stage of the year – looks like a late season when we are talking to people. Excess fuel loads mean it could be a long season.
- When thinking about mobilising – please think early for resourcing- contact the RDC 1800 966 077 – RDC is there to assist. – the earlier the better.
- Also consider early public information and letting the community know early – DFES needs the IC's approval to do the community alerts. Please make yourselves available as much as possible so we can assist you.
- Graeme Keal – first he had heard of Merredin as a base. Remember you need to have a dedicated ground controller, and they need to be trained. Radio communication with aircraft is vital too for the radios so please be aware.
- Simon Tighe mentioned the difficulty with Large Air Tankers (LAT) use as they mean 20 mins with no one on the fire ground as it takes that long for it to come in when it is finally approved to assist. Justin said the delay is inevitable with the use of the LAT. All aircraft in the air space needs to be cleared due to the size of the large airtanker. Small bombers shouldn't be delayed.

Graeme mentioned the approval for the LAT goes through state and is time consuming but necessary. Remember that the LAT is a strategic resource, not offensive.

Laurent Marsol said that once water bombers have been dispatched you need to remember that we also need to get support for reloading, whether that is SES, BFB or

## GREAT EASTERN DISTRICT OPERATIONS ADVISORY COMMITTEE

VFRS? Need to know early to organise.

Laurent also said there was a one-page sheet on Ground Controller communications – Attachment 5

- Graeme Keals said their upcoming training is also open to the SES again this year.

### BOC Update – Murray Dixon

No report – Absent

### 13. General Business

- 13.1. Liz Vukojevich – LG training month was very well received – an additional 14 courses held through that month, an extra 126 people have been involved, and we are still getting requests. We will look at doing it again for next year.
- 13.2. Andrew Sprigg – Mukinbudin, Mt Marshall and Traying put in for a new CESM but have been declined. How big an area can a single CESM look after? Andrew listed 5 shires – Justin Corrigan said this would be too large for a single CESM as they don't just look after the BFBs, but they also have Emergency Management work that they are required to do for each shire. Justin Corrigan said to continue to request. The more you request the more, the more you can prove your need, the more likely you will be considered for a CESM. The new funding for them is limited. ^ new ones over the next two financial years. The requests come through individual LGs (or joint) through chain of command to the Commissioner – these are shared funding with DFES and LG.
- 13.3. Andrew Sprigg asked with DFES low on staff will it be difficult to get DFES assistance to fires? Justin Corrigan answered – no.
- 13.4. Damian Tomas - Have we still got support through Narrogin for planes? – Graeme Keals said nothing has changed in the support for aircraft. DBCA do the SAR. Communication is issue for planes – Graeme is looking at this as he has been away – There are options but there could be a lag for communications. There is a project underway by Aviation branch of DBCA, in linking repeaters. They can also forward post a portable repeater.
- 13.5. Damian Tomas – At the recent CBFCO forum, every scenario that DFES ran needed communication, population etc but no one could advise what to do with out these elements. Can we find out how to resolve these for us locally? How are we going to solve this. Justin Corrigan said there are solutions but there are timeframes between issues being identified and to getting to solutions – Damian said it has been an issue for over 6 years, and no solutions are being given – Justin said FCOs and fire appliances can work through repeaters but shires may need to consider UHF for farmer vehicles. Laurent Marsol noted that the Shire of Yilgarn now has a DBCA repeater in Yellowdine Reserve. It is linked to Kalgoorlie.
- 13.6. Leigh dal Busco– What does Starlink cost per vehicle? Shane Hart said he believed it was \$500-600 for equipment and \$80 a month for limited and unlimited for \$195 a month. You can turn on and off as required. To get the proper power supply and weather coverage etc is around \$1000 per vehicle to have installed. It is not an LGGS

## GREAT EASTERN DISTRICT OPERATIONS ADVISORY COMMITTEE

item so Shane introduced a new form (Dec 2024) that can be used to request items not eligible on LGGS – Form 11. Some shires have taken on board and funded themselves. Sven Anderson commented that he pays \$8.50 to maintain his system (personal device) as he can't turn off as such anymore. Problem with DFES is that the cost to DFES is not the same to the public - \$6-8000 per unit. Not sure if that is similar for LGs.

1 BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES

BASIS OF PREPARATION

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

**Local Government Act 1995 requirements**

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996*, prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

*Local Government (Financial Management) Regulations 1996*, regulation 34 prescribes contents of the financial report. Supplementary information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

**PREPARATION TIMING AND REVIEW**

Date prepared: All known transactions up to 00 January 1900

**THE LOCAL GOVERNMENT REPORTING ENTITY**

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

**MATERIAL ACCOUNTING POLICES**

Material accounting policies utilised in the preparation of these statements are as described within the 2024-25 Annual Budget. Please refer to the adopted budget document for details of these policies.

**Critical accounting estimates and judgements**

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

As with all estimates, the use of different assumptions could lead to material changes in the amounts reported in the financial report.

The following are estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and further information on their nature and impact can be found in the relevant note:

- Fair value measurement of assets carried at reportable value including:
  - Property, plant and equipment
  - Infrastructure
- Impairment losses of non-financial assets
- Expected credit losses on financial assets
- Assets held for sale
- Investment property
- Estimated useful life of intangible assets
- Measurement of employee benefits
- Measurement of provisions
- Estimation uncertainties and judgements made in relation to lease accounting

**CURRENT AND NON-CURRENT CLASSIFICATION**

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the local governments' operational cycle.

**KEY INFORMATION**

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

#### KEY INFORMATION

##### Initial recognition

An item of property, plant and equipment or infrastructure that qualifies for recognition as an asset is measured at its cost.

Upon initial recognition, cost is determined as the amount paid (or other consideration given) to acquire the assets, plus costs incidental to the acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition.

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Local Government (Financial Management) Regulation 17A(5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

Individual assets that are land, buildings and infrastructure acquired between scheduled revaluation dates of the asset class in accordance with the Shire's revaluation policy, are recognised at cost and disclosed as being at reportable value.

##### Measurement after recognition

Plant and equipment including furniture and equipment and right-of-use assets (other than vested improvements) are measured using the cost model as required under *Local Government (Financial Management) Regulation 17A(2)*. Assets held under the cost model are carried at cost less accumulated depreciation and any impairment losses being their reportable value.

##### Reportable Value

In accordance with *Local Government (Financial Management) Regulation 17A(2)*, the carrying amount of non-financial assets that are land and buildings classified as property, plant and equipment, investment properties, infrastructure or vested improvements that the local government controls.

Reportable value is for the purpose of *Local Government (Financial Management) Regulation 17A(4)* is the fair value of the asset at its last valuation date minus (to the extent applicable) the accumulated depreciation and any accumulated impairment losses in respect of the non-financial asset subsequent to its last valuation date.

All debenture repayments were financed by general purpose revenue.

### KEY INFORMATION

The Shire has elected to recognise borrowing costs as an expense when incurred regardless of how the borrowings are applied.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature.

### KEY INFORMATION

#### Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

#### Employee Related Provisions

##### Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

##### Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as employee related provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

#### Contract liabilities

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer.

#### Capital grant/contribution liabilities

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

 **Purpose of the Report**

☐ Executive Decision ☒ Legislative Requirement

The Purpose of this Report is for Council is to consider whether it wishes to pay superannuation contributions to Council Members.

 **Summary**

Through the Local Government Reform program, the Department of Local Government, Sport and Cultural Industries (the Department) is introducing a number of significant changes to the *Local Government Act 1995* (the Act).

One of these is the introduction of superannuation contribution payments for Council Members.

The change was introduced through the *Local Government Amendment Act 2024* and came into effect from 1 February 2025.

This reform aims to attract and retain Council Members and encourage greater diversity across local governments. It acknowledges the significant dedication and investment of time that Council Members commit to their role and helps to achieve greater alignment with the wider workforce.

From 1 February 2025, all local governments will have the option to resolve to make superannuation contribution payments to Council Members. From 19 October 2025 (local government election day), this will become mandatory for class one and two local governments and optional for class three and four. The Shire of Westonia is a class four local government.

 **Background**

New provisions regarding local governments providing superannuation to council members commenced on 1 February 2025. These provisions are part of the changes of the Local Government Act 2024.

Previously local governments were not required to provide superannuation coverage to Elected Members as these individuals were not employees for superannuation purposes under subsection 12(9A) of the Superannuation Guarantee (Administration) Act 1992.

 **Comment**

From the 19 October 2025, it will be compulsory for all Class 1 and 2 local governments to pay superannuation to council members. This will remain optional for class 3 and 4 local governments. The Shire of Westonia is a class 4 local government.

 **Statutory Environment**

*Local Government Act 1995 sections 5.99B to 5.99E*

#### Purpose of the Report

Executive Decision

Legislative Requirement

The purpose of this report is for Council to consider closing the administration offices for a period over the Christmas break.

#### Background

Council has traditionally closed the office and operations over the festive season to accommodate the taking of leave and public holidays, given that the town is very quiet during this time. Christmas Day and New Year's Day fall on Thursday this year.

It is also anticipated to hold the annual end of year Christmas function at the conclusion of the December Ordinary Council meeting. This year it falls on the 18<sup>th</sup> December which coincides with the outside crew break up.

#### Comment

The outside crew will commence the Xmas break on Friday 19<sup>th</sup> December 2025, with a return to work on and Monday 12<sup>th</sup> January.

Arrangements are in place to provide for emergencies with a skeleton staff available during the holiday period.

It is proposed that the office will be closed from 12.00pm on Wednesday 24<sup>th</sup> December 2025 until Monday 5<sup>th</sup> January 2026.

There has traditionally been no meeting in January in previous years.

#### Statutory Environment

Nil

#### Policy Implications

Extended Close of Business Over Christmas

The Council office & depot will be closed from 12 noon on the last working day prior to the Christmas Day holiday until normal office hours on the day following the New Year public holiday. At least one Senior staff member will remain contactable and reasonably close to town in the event of an emergency such as a bushfire during this shutdown period.

Staff will also be granted 2 paid "grace and favor days" based on their ordinary hours in recognition of time worked in excess of normal hours during the year, to assist with covering their leave over the shutdown period between Christmas and New Year. Staff required to work during the Christmas Shutdown period as part of responding to an emergency will be granted the equivalent hours of ordinary time paid leave by agreement at another time.

### Strategic Implications

### OFFICER RECOMMENDATIONS

---

That Council

1. approve the office closure from 12.00pm on the 24<sup>th</sup> December 2025 until Thursday the 5<sup>th</sup> January 2026, and that.
2. hold the annual end of year Christmas function at the conclusion of the December Ordinary Council meeting to be held on 19<sup>th</sup> December 2025.

**Purpose of the Report**

☒ Executive Decision ☐ Legislative Requirement

The purpose of this report is to consider providing permission for Nativ Carbon to collect Native Flora within the shire boundaries.

**Background**

Nativ Carbon is seeking Council’s permission to collect native seed from Reserves under management order to the Shire of Westonia.

The Council has granted this organization permission in the past under normal conditions.

**Comment**

Council has granted permission before to several entities with the following conditions.

- All persons collecting native seed are licenced according to the Wildlife Conservation Act 1950 and will abide by the conditions of this licence.
- Permission is for a twelve-month period, commencing November 2025.
- Appropriate hygiene measures will be followed at all times to prevent the spread of plant disease and weeds.
- All care will be taken to avoid the disturbance of fauna habitat.
- All care will be taken to avoid any disturbance that may lead to soil degradation; and
- There be a requirement to donate to the Shire of Westonia, 10% of all seed from each species collected within the shire. This will go towards rehabilitation projects in the shire.

### Purpose of the Report

Executive Decision

Legislative Requirement

This report seeks Council's comment on an Exploration license in the northern part of the shire.

### Background

The Shire has been advised of an application for an Exploration license lodged by Emerald Tenement Services on behalf of EMC Uranium PTY LTD (E77/3315).

The application relates to land in the northern portion of the Shire adjacent Walyahmoning Reserve (See Attached)

### Comment

EMC Uranium PTY LTD is a WA based ASX listed company focused on discoveries of Gold, Silver, Base Materials and Uranium.

Previous exploration approvals have been granted with the following conditions:

- 1) That dust suppression is carried out so that others are not adversely affected.
- 2) That any saline ground water found is contained by pumping it into a water trailer and disposed of through normal mining practices under the terms of the company's mining conditions.
- 3) Any ground water that escapes onto the ground around the drill site is to be bunded so that it does not spread.
- 4) All plastic bags used for soil samples are to be removed from the site and disposed of in a suitable manner.
- 5) All rubbish is to be disposed of at the local landfill site in the appropriate manner.
- 6) A firefighting unit is to be always available, and drilling is to cease if a total fire and harvest ban is called.
- 7) No drill holes are to extend under any public railway line or any roadways. Drilling being carried out is not to interfere with road drainage and must be beyond the batter line (this is to minimise damage to capped drill holes during maintenance grading) – refer to Typical Cross Section of Road Formation diagram.
- 8) Safety signs are to be erected in accordance with Australian Standards – to warn both mining staff, contractors, and the public/visitors.
- 9) All drill holes are to be capped as soon as possible/practical after drilling.
- 10) If working within 100m from a residence, all noise generated is to be limited in accordance with the Environmental Protection (Noise) Regulations 1997, when working between 7:00 pm. and 7:00 am.

- 11) That the proposed drilling work is advertised in the local newsletter “Westonian” prior to any work commencing to notify the general public of this work; and
- 12) That no drilling is to occur within any Shire Road Surface and gravel pits, and that no drilling operation is to affect any part Historical N/A in any way.

#### Purpose of the Report

Executive Decision

Legislative Requirement

This report seeks Council's comment on a Prospecting license in the Town Common of the shire.

#### Background

The Shire has been advised of an application for a Prospecting license lodged by Acquire Technology Services on behalf of Patrick Nicholson (E77/4702).

The application relates to land in the Town Common adjacent Stoneman Road (See Attached)

#### Comment

Patrick Nicholson is a Director at Talco Group, a WA based Civil and Concrete Construction Company.

This application is a Prospecting License which entitles small scale miners to undertake mining and exploration activities within their site area. Council does not have any condition authority similar to that of Exploration licenses.

Rating of a prospecting license will be greater than an exploration license.

**Purpose of the Report**

☒ Executive Decision ☐ Legislative Requirement

The purpose of this report is for council to consider purchasing the property located at Lot 35 Wolfram Street Westonia.

**Background**

The property located at Lot 35 Wolfram Street Westonia is currently on the market as the owner has relocated over east with family. The house is a 1969 Asbestos iron building with many adhoc additions to the building.

A valuation for the property has been obtained from local agent Steve Gregory Elders Real estate who has provided a valuation report which is attached for Council consideration.

**Comment**

This Lot has strategic value particularly with its central position in the main street, neighbouring the Health Clinic and is serviced by all headworks. This Lot would be a prime position to locate the new single persons modular homes that are on order with an opportunity to locate 3 on the one site.

**Statutory Environment**

Nil

**Policy Implications**

Nil

**Strategic Implications**

Strategic fully serviced Lot in main street that could accommodate new development providing better street appeal.

**Financial Implications**

As this is an out of budget consideration it will require an Absolute Majority decision of Council. Council has \$ funds in its Housing Development reserve fund should it be required at the EOY fund transfer considerations.

**Voting Requirements**
