Governance Update

Wheatbelt Medical Student Immersion Program

The Shire of Westonia in conjunction with Rural Health West, Country WA Primary Health Network & Wheatbelt East Regional Organisation of Councils (WERO). Medical students from Curtin Medical School and The University of Notre Dame Australia Fremantle School of Medicine will participate in a rural immersion experience in Westonia between the Mon 15th to Fri. 19 March 21

The program aims to build student understanding of a rural life. During their stay, students will experience a farm safety course and visits to local general practices, hospitals and schools, Community events and Town Specific opportunities. This program will give them an understanding of what a country patient experiences when travelling to/from Perth for treatment. If a student is influenced by the program to consider a rural career, that will be the cherry on top.

Australia Day 2021

Australia Day Celebrations were held on Tuesday the 26th of January, at Westonia's wanderers

Stadium. This event was to all community members and visitors to town on the day. It was a very hot Tuesday and the pool was a very good option for most. Celebrations at the stadium ran from 5pm onwards starting with a free Sausage sizzle, the bar was open and there were free Ice-creams at the pool all day. It was a great evening for everyone who attended.

A big thank you to those who volunteered their time to help out on the day from decorations to cooking the barbie to running the bar and more. Your help was greatly appreciated and valued! It was great to see people happy to step up to the plate when so many people were away.

HOW DO I ..?

...report an unsightly property?

We all share a responsibility to keep our own property neat and tidy. This is especially so heading into summer, when long grass and rubbish can pose a fire hazard. Under Council's Local Laws, property owners are required to maintain their properties so they are not unsightly, dangerous or detrimental to the amenity of the neighbourhood. If you have concerns about an unsightly property in your neighbourhood, please contact us. Shire staff will inspect the property and, if found to be unsightly, will ask the property owner to clean it up. Fines are applied if the property owner ignores the initial request to clean up.
