

COUNCIL TO COMMUNITY 25th May 2021

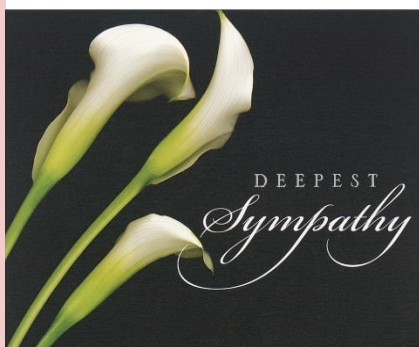

COMMUNITY GRANTS

Westonia Progress Association has been successful with their application for a **Stronger Communities Progamme Grant** . This has enabled the purchase of an additional 3 defibrillators and wall mounted cabinets, these will be installed at the Caravan Park, Golf course and Old Westonia Primary School. These additions are a huge asset to the community. Well done to Westonia Progress association for their tireless effort to keep improving our town.

Laura Black our Nurse Practioner has also been very busy securing a grant through **WAPHA GP Innovations**, with this grant the Shire Clinic has been able to purchase a iPad and Headphones to be used for all Telehealth services, this device will also be able to travel with Laura on her home visits to community members

unable to attend the Shire Clinic. The intention behind this grant was to make appointments with medical professionals that are not here locally easier and reduce the lengthy travel time involved as much as possible especially for the community.

Shire of Westonia Councillors and Staff wish to extend their Deepest Sympathy to Lila, Corinne, Kathy, Dave and families on the passing of Graeme, May he be forever remembered.
