

OLD MINERS HALL SHELTERS

Finally the new shade shelters have been installed in front of the Old Miners Hall.

These were specifically designed to provide shade from the afternoon sun for the old timber fronts as well as provide an attractive display of the halls heritage with the laser cut panels themed;

- Military Memorial
- Miners & Mechanics Era
- Roads Board Era
- Role in Culture & Arts

Seating has also been provided in front of the hall. This is the final component of the RAC Streetscape project which included the murals, little shops, lighting and restoration of the small shop.

I would like to thank and congratulate all of those involved in this project and I am sure that all locals and visitors will enjoy this new improved amenity for the town.

COMMUNITY WELLBEING NEWS

Kerry Hermon has been keeping the community busy and active with plenty of activities each week.

Friday the 23rd of June, Kerry planned a movie night at the Old Miners Hall. The movie was 'Blue back' which was loved by many. The tavern also supplied burgers for dinner. Thankyou guys!

On the 28th of June, Jasmine held an IT talk at the CRC to teach those who attended about being safer on their technology devices and what to look for to reduce the risk of being scammed.

Kerry has been taking a few ladies to Hydro Pool Therapy at the Recreational Centre in Merredin every Thursday morning followed by a few games of BINGO in the afternoon. The ladies love their Thursdays and are hoping to get a Hydro Pool in town after completing the Pool Survey last week!

Scrabble is still held every Tuesday at the CRC.

Check out the activities which are planned for the next few weeks and get involved. These can be found in the calendar on the back page of the Westonian.

NEW SLIDING AUTOMATIC DOORS

The Shire Office had sliding automatic doors installed on Thursday the 29th of June as part of the Disability Access Inclusion Plan. New automatic sliding doors were also installed at the Co-Op, which was paid for by the Westonia Progress Association.

LIBRARY UPDATE

The State Library of Western Australia has had a change to the way library users will be provided with requested materials not currently held in our library. This is due to the increase of freight costs and environmental impacts resulting from inefficient freight delivery. From July 1st, materials requested by library users will be supplied in an electronic form (Ebooks etc.). Where an electronic version is unavailable, hard copies can be requested.
