

## WESTONIA AMBULANCE NEWS

A big thank you and farewell to our two highly qualified and experienced volunteer ambulance officers, Steve and Lorraine Filetti. We really appreciate the time and efforts you have put into our ambulance service for our community and you will be sincerely missed.

With the departure of Steve and Lorraine in mid August, the Westonia ambulance will be reduced to only three local driver/assistant volunteers. 000 calls will be covered from nearby town crews until current volunteers can be higher trained and more people volunteer.

It would be great to have some new faces who reside in town to become a volunteer ambulance officer. If you would like to register you can apply online at [vip@stjohnwa.com.au](mailto:vip@stjohnwa.com.au) or phone Bryan Close on 0409825317.

Council would like to thank Steve and Lorraine for their contributions and wish them well for their future.

## GREAT EASTERN HIGHWAY ROAD WORKS UPDATE FROM MAIN ROADS

Main Roads are continuing road works on Great Eastern Highway:

1. Walgoolan Bridge Replacement – construction is continuing and a side track is in place to limit the impact on traffic. The road is being widened for around 6 kilometres and in the summer months there will be lane closures with minor delays when the new and old roads are joined. Works are due for completion in December 2023.

2. Bodallin – 15 kilometres of Great Eastern Highway around Bodallin is being widened. Works also include a new two-kilometre eastbound passing lane between Bodallin and Moorine Rock, construction of a new westbound rest area between Bodallin and Moorine Rock and a realignment to the Bodallin townsite. Earthworks and culvert replacements are currently in progress in Bodallin. Around 8 kilometres of side tracks are in place and operational to limit the impact on traffic. In the summer months, earthworks and service relocations will be completed and the road sealed which will involve lane closures and minor delays. Works are due for completion in April 2024.

3. Moorine Rock – 1 kilometre of road around Moorine Rock Bridge will be widened and guardrail installed. Works will recommence around September and are due for completion in October 2023. Intersection upgrades are also planned for Parker Range Road including widening at the intersection. Works are due to commence in October 2023 and for completion by April 2024.

## EXPRESSION OF INTEREST

A local gentleman has made a suggestion that we have a regular cards evening.  
It has also been suggested we start up a Community Veggie Garden.  
We are chasing expressions of interest for both of these activities. Please contact the Shire with your thoughts on this.  
Thanks, Kerry

**COMMUNITY WELLBEING NEWS**

It has been a busy few weeks with a lot of activities for the community.

On Friday the 7th of July, a few ladies spent the day over at the CRC building doing some dot painting. They painted coasters made out of wood cut by Doug Hermon and created some beautiful pieces!

Friday the 14th of July, a small group spent their morning at the Shire Depot to complete driving lessons on their gophers. They learnt about road rules and participated in a gymkhana course made by Jonesy and Scott. The morning was full of laughter and those who were involved were awarded a certificate of achievement. A massive thank you to Jonesy and Scott for making up the course!!

Check out the calendar on the back page for next fortnights events!
