NEW PICTURE THEATRE SYSTEM

Collgar Wind Farm & the Collgar Community Fund has made it possible for us to complete much needed upgrades to the Westonia Old Miners Hall Picture theatre system. We Received \$10,000.00 towards the \$12,000.00 upgrade to enable the Shire Westonia of to engage Programmed Electrical Technologies Ltd who provided the new equipment. equipment installation and training in the use of new system.

Since beginning refurbishing the Old Miners Hall and picture Theatre in 2008, the Westonia Picture theatre has shown over 200 movies it has been used for countless community ceremonies such as Anzac day ceremonies, inaugural occasions such as honorary freeman presentations and community member funerals. It's projector and it's infrastructure has

been used for many community events and meetings for the past 15 years. The system was outdated and not compatible with the latest technology and unable to be upgraded. We were able to keep the sound system and just replace the projector and infrastructure which will enable us to use and do regular updates without replacing the system likewise parts will be able to be replaced as needed which will extend the life of the new upgrades.

Our first Movie Night since installing the new system was held on the 28th of July 2023. There were 20 people in attendance to watch the movie on the night and everyone was amazed at the difference and clarity of the screen. The System has allowed us to be compatible with current IT requirements and will continue to allow us to provide the necessary updates as needed for many years to come.

ST JOHN AMBULANCE VOLUNTEERS NEEDED

If you are interested in becoming a volunteer, please contact the Shire Office on 9046 7063 We are at risk of losing this important service as we are struggling for

volunteers

We have had a few people interested so please don't be shy to express your interest as we need as many volunteers as possible.

GREAT EASTERN HIGHWAY ROAD WORKS UPDATE FROM MAIN ROADS

Main Roads are continuing road works on Great Eastern Highway:

1. Walgoolan Bridge Replacement — construction is continuing and a side track is in place to limit the impact on traffic. The road is being widened for around 6 kilometres and in the summer months there will be lane closures with minor delays when the new and old roads are joined. Works are due for completion in December 2023.

2. Bodallin – 15 kilometres of Great Eastern Highway around Bodallin is being widened. Works also include a new two-kilometre eastbound passing lane between Bodallin and Moorine Rock, construction of a new westbound rest area between Bodallin and Moorine Rock and a realignment to the Bodallin townsite. Earthworks and culvert replacements are currently in progress in Bodallin. Around 8 kilometres of side tracks are in place and operational to limit the impact on traffic. In the summer months, earthworks and service relocations will be completed and the road sealed which will involve lane closures and minor delays. Works are due for completion in April 2024.

3. Moorine Rock – 1 kilometre of road around Moorine Rock Bridge will be widened and guardrail installed. Works will recommence around September and are due for completion in October 2023. Intersection upgrades are also planned for Parker Range Road including widening at the intersection. Works are due to commence in October 2023 and for completion by April 2024.

COMMUNITY WELLBEING NEWS

Check out the calendar on the back page for next fortnights events!

On Wednesday the 26th of July, we had a Christmas in July lunch at the Tavern. Lunch was roast chicken and veggies followed by trifle for dessert and it was delicious!

A movie night was held Friday the 28th of July, and a total of 20 locals and visitors attended to watch "Senior Moment' on the new projector and enjoyed their burgers and chips cooked by the Westonia Tavern.

Wednesday the 2nd of August, the Health Clinic was full of locals who had the opportunity to learn about what their Local Government provides by a talk with Jasmine Geier.

Over the last few months, a group of Westonians have been frequently visiting the Merredin Hydrotherapy Pool. They have found the advantages of this gentle form of exercise invaluable. We have been given permission to start fundraising for our own Westonia Hydrotherapy Pool as part of the Westonia Seniors Centre Redevelopment.

There will be a meeting at the Health Clinic on the 14th of August at 10:00AM for those people that would like to get involved in fundraising.

BUS TRIP TO MUKKA

WEDNESDAY 16TH OF AUGUST

Stop in at the Mens shed for morning tea (gold coin donation) then lunch at the Mukka Hotel and view the pop up Art Gallery. Bus will leave the Health Clinic at 8:45AM RSVP to the Shire Office on

WESTONIA CEMETERY NEWS

3 years ago, Bill Huxtable noticed the cemetery starting to degrade with overgrown bushland and was worried that the history of the cemetery would be lost. He decided to make a change and started a committee to tidy it up and make some improvements. In this time, the committee in conjunction with the Shire has been busy clearing the overgrown bush and improving the pathways in each row. They made a new entrance with a white picket fence along the roadside and put a new fence line surrounding the area. Plants and trees were planted in the garden beds and a shelter was relocated to cover the niche wall. Another shelter was installed at the entrance which was purchased from Merredin High School. A second niche wall will be put in and another pathway through the middle of the cemetery where plaques will be put in recognising the Pioneers. 13 additional coral gums are on their way which will be planted on each side of the new path. At the start of the new section, they have created an inground niche area made out of limestone blocks which will be filled with crushed red bricks leaving a gap at the top for plaques to be installed. Two water fountains will later be installed at the start of this path.
