FREDDY'S 'SMOKING HOT' MEAT SMOKER

Local retired (burnt out??) boilermaker Freddy has been working hard over the winter season building a meat smoker for use at the Wanderers Stadium.

It's an absolute work of art and we look forward to having some tasty meals from it.

A huge thankyou to Fred for his workmanship and creative ideas, also to several farmers in the district who donated

Some old farm items used in its construction.

Another great addition to the town amenities.
