

TIDY TOWNS JUDGING

Council would like to extend their appreciation to all residents who made a concerted effort in tidying up their yards and verges for the Tidy Towns Judging which was held last week.

Not taking away from everyone's overall effort but the Lilly's everlasting front yard, Cunningham's painting of the front of their house, builders and blacksmiths general cleanup all made a real difference.

The two visiting judges (as well as every tourist visiting town) were very impressed with the presentation of the town as well as the unique projects that the town has already completed and intend to undertake in the near future.

The Council intend to keep making improvements to the town.

OLD MACHINERY LAYDOWN DISPLAY AREA

Further old farm machinery has been relocated to the laydown display area adjacent to the Cooperative so that it may be admired by visitors.

As further old machinery is sourced it too will be displayed in the area.

POOL KIOSK PROJECT

The kiosk project is progressing well with the gyprock and tiling work completed on all of the internal walls. Painting and glazing will be completed in the next couple of weeks. It is unlikely that the pool will open in November this year due to the works with a likely date being in December.

WELCOME

BOB LOCKYER

Council would like to welcome Bob Lockyer to the outside works crew being employed as the new Town Maintenance Person. He will be replacing the soon to be retiring Graeme Bright & Graham Jones. Bob has extensive experience in plant operation and local government and has moved here to join Heather who is the Senior Finance Officer at the Council.

LANDSALES

The conditional land release has continued to be a success for the Council and the community with an additional 2 x lots sold at the recent Council meeting. One lot is for a new residence and the other is for a light industrial shed.

Council are currently in negotiations with DPLH and traditional owners in securing an additional 12 lots located around the Old Primary School for future development.

Following on from Hillary's and Priscilla's house installation last month we are all very excited to see Dave & Stephanies house being delivered this week which is another huge bonus for the town. Looks very impressive.

WESTONIA GOLF CLUB

The End of season game, Hale Shearing Contractors Day, and presentation night was held on Sunday 29th September with a 14 strong field the enjoying the beautiful day. Unfortunately, the flies also came out in droves to enjoy the day. Nevertheless, some great scores were handed in for the final Ambrose game of the season. The winners on 62 points were Nigel Edgecombe and Jocelyn Antonio. The runners up on 63.7 points were Father and son team of Pete and Brent Antonio.

Longest drive on 18 was Heather Lockyer, longest putt on 9 was Stacey Geier, longest drive on 1 was Joel Corsini.
