

WARRALAKIN (GEELAKIN) TANK RESTORATION PROJECT

This project is progressing well with the completion of the removal of the old tin roof. The concrete walls are currently being treated with a chemical compound to stop any water leaks and to extend the life of the walls.

Once this is completed in the next 3 weeks Council will reinstate the catchment walls and wait for a summer deluge before the installation of the floating hexa cover.

ROADWORKS – GREAT EASTERN HIGHWAY – CARRABIN TO WEST OF MOORINE ROCK

Main Roads will commence further upgrades on Great Eastern Highway in the following locations in early November 2024:

- 4.4km between Carrabin and Bodallin
- 4.6km between Nulla Nulla South Road and approximately 700m west of Liddell Road (west of Moorine Rock)
- 2.4km between Liddell Road and Granich Road (west of Moorine Rock)

The upgrades include reconstruction, widening, sealing, intersection upgrades and audible edge lines and wide centre line road markings.

Works will commence west of Moorine Rock and move westbound. Works are due for completion in late 2025. The staged upgrade program will continue along the highway until 2028.

There will be lane closures and speed restrictions in place, so please allow extra travel time.

Should you have any enquiries, please contact Main Roads via our website

www.mainroads.wa.gov.au or by phone on 138 138.

WESTONIA PROGRESS ASSOCIATION FUEL DEPOT

POOL KIOSK PROJECT

The Pool Kiosk project is nearing completion and is really starting to look very impressive in its landscape complimenting the 2 x stadiums. The concrete footpaths and surrounds have commenced and the commercial Lino installer will be here next week for the floor installations.

We are still waiting for the Western Power installation which is holding up the ability to open to the public. We are still anticipating mid-December to be functioning although there will still be some on ground works to complete.

ROADWORKS

The construction crew are completing a 3km gravel re-sheeting of Echo Valley Road.

On Monday 11th November 16 members from Merredin G.O.L.D (Growing Old Living Dangerously) group visited Westonia. Their first stop was the Miners Hall where they enjoyed Morning Tea thanks to Zeta, Sandra, Priscilla, Pat & Liz. Once finished they moved to the comfy chairs and were entertained by Ray, Liz & Maxine who sang a variety of songs until 11.00 o'clock where we paused and observed a minute silence in honour of Remembrance Day. Another gesture from the local group was each visitor was presented with a Poppy which were made by the crafty sewing ladies of Kay, Carol, Liz & Zeta. Some of the ladies wore them in buttonholes others wore them on their head. The music continued with a selection of Sing along war time songs before Ray bought the morning to a close performing a few of his favourites.

The ladies had asked if they could look at the cross stitch pieces by Pam White, so with a couple of phone calls we were able to display some of these beautifully finished items of which some were both admired and purchased. The group bid farewell and move onto the Hood-Penn Museum where they spent some leisurely time admiring the number of exhibits, the standard of the displays and the cleanliness of the whole area.

Lunch was next on their schedule and it was off to the Co-Op where Jess and Glenda had done a great job with meal preparation. The group were happy to sit and relax before their bus was ready to leave. Some took advantage of the gift range available and left with a bargain or two. Once all aboard they were going to do a Quick Look around the town before heading home to Merredin. From all accounts, a good time was had by all.

WESTONIA BOWLING CLUB

Westonia Bowling Club

Social mixed Club Days every Sunday are being well attended with numbers between 10 and 16 players. The club is waiting on the delivery of new heavy white jacks which should make it easier to play those long ends for those of us who are finding it hard to see the yellow jacks.

Uniforms are expected to be delivered in a couple of weeks for those who have placed an order.

Pennants

Unfortunately, the pennant season for the ladies seems to have met a few hurdles in the last few games. Bruce Rock went away on the 30th October a win over Westonia. Narembeen then gave us a lesson in bowls on the 6th November winning both rinks on their home green. On a brighter note, it was lovely to welcome Shirley Johnston to our pennant team. Wednesday 13th will be a league bye.

The Wessy Men's Pennant team travelled to Merredin on Saturday 2nd to fight it out against Merredin Club. Once again, Merredin Club gave a clinical display and came out with 8 points, 103 to 50 shots. The men also had a bye on the 9th November, hopefully to regroup before their next game on the 16th.

On the Road Again

The ladies were expecting to have a team for the Quairading Open Day on the 1st November but due to unforeseen circumstances had to withdraw. Considering that the temperature was in the low forty's and the day was reduced to only two games it was no doubt a blessing in disguise that we had to withdraw our team.

Kay, Ainslie, Liz and Shirley then attended the Narembeen Open Day on the 8th. Well done ladies on winning your first game which was shortened to 10 ends due to rain. The lunch was wonderful and the banter was invigorating but once again, due to thunder storms, lightening, and torrential rain this time, the day was once again abandoned.

The men were unable to field a team for the Corrigin Open Fours on the 27th October, but made up for it on Sunday 3rd November by sending 2 teams to the Merredin Triples Day. Pat Alvaro also played in a mixed team on the day. His request for a transfer is still being considered by the Club management team.

Due to lack of numbers the men's Club Championship Pairs was called off on the 9th November. Thanks to Fred for organising a game of scroungers for some of our keener bowlers. The final was played off by Bounder and Ainslie, with Ainslie coming out the eventual winner.
