

Old School Library Mural

On Saturday, July 19th, we began repainting the old school library mural. Seven wonderful helpers came down to help us paint the mural. At 10 am, the brush dipped into the paint, and the painting began. After 3 hours of hard work, we decided to call it quits for the day, but the effort made can be seen on the wall. Thank you to everyone who came down to help out. Another painting session will be held soon weather permitting. Keep an eye out for more information to come shortly.

Coopers Garage

The new addition of the museum has come together very nicely and is now ready to fill with bowlers, old oil tins, bottles, and signage and more memorabilia. Bill Price and Bob Lockyer set off last weekend to Bunbury to pick up the collection. After Hours of bubble wrapping, the boys finally had everything loaded up and headed back to Westonia. Once home, they unpacked everything and started to move things around to put on display. One more trip will be made to bring the remainder of this collection back. The museum is finally taking shape to replicate an old garage from “yester year”. Thank you to everyone who has helped with this new addition. You all have done an amazing job.

LOCAL GOVERNMENT ORDINARY ELECTION

CLOSE OF ENROLMENTS

Shire of Westonia

ROLL CLOSE: 5:00pm Friday, 22 August 2025

You may be eligible to be enrolled to vote in the local government elections on 18 October 2025 if you live in or are an owner or occupier of rateable property in the Shire of Westonia.

Residents

You are automatically enrolled to vote if you are on the State Electoral Roll as at 5:00pm Friday, 22 August 2025. If you are not already on the State Electoral Roll and meet the eligibility criteria, or if you have changed address recently, you must complete and submit an enrolment form.

You can enrol or update your details online, or download an enrolment form, via the Western Australian Electoral Commission website (www.elections.wa.gov.au/enrol). Forms are also available from the Australian Electoral Commission (www.aec.gov.au). Enrolments and updates must be completed and received by 5:00pm Friday, 22 August 2025.

Non-Resident Owners and Occupiers

If you are a non-resident owner or occupier of rateable property in the Shire of Westonia and are on the State or Commonwealth Electoral Roll, you may be eligible to enrol to vote by lodging an enrolment eligibility claim with the Shire of Westonia.

If a rateable property is owned or occupied by more than two people, a majority of the owners/occupiers may nominate two persons from amongst themselves who are on either the State or Commonwealth Electoral Roll, to enrol as owner/occupier electors.

A body corporate that owns or occupies rateable property may nominate two employees or officers who are on either the State or Commonwealth Electoral Roll to enrol as owner/occupier electors.

If you are not on the State or Commonwealth Electoral Roll and own or occupy rateable property in the Shire of Westonia, were on the last electoral roll for the Shire of Westonia prior to May 1996, and are already enrolled, you continue to retain that status until your enrolment would have otherwise ended.

Contact the Shire of Westonia for an enrolment eligibility claim form, to confirm whether you are already enrolled, or for further information.

An eligibility claim must be lodged with the Chief Executive Officer by 5:00pm Friday, 22 August 2025.

westonia craft group

Thank you to the ladies who turned up for the Lavender bag busy bee. We managed to fill the basket with lots of little creative bags which we will sell at the markets.

Our current project is a "make n take" patchwork zippy pouch. These are coming along nicely at various stages of completion. Looking forward to the end results.

We need to be cracking along with making a travel bag for raffling. The beginning of the long journey of cutting and constructing this item will commence next Monday as stage -1, cutting and labelling. (those with unfinished pouches can join the group when finished)

The craft group has been lucky enough to obtain Community Activities Funding which has enabled us to purchase much needed items for the room.

Thank you to the Westonia Shire from all Craft Group participants.

Cheers

Kay

Opens this Friday 1st August!

The wait is over – Mainstreet Gallery Mukinbudin is back for another season of art, creativity and community connection, opening its doors at the Mukinbudin Memorial Hall this Friday, 1st August!

The gallery will be open weekdays from 9am to 3pm and weekends from 10am to 2pm, and it's packed full of new work from a mix of local and Western Australian artists. Think vibrant paintings, thoughtful photography, unique sculptures and more – all available for purchase if something catches your eye.

And it's not just about looking – there's plenty of opportunity to get involved too! This year's art workshop program is now live. Whether you're keen to try welding, book binding, or oil painting, these workshops are designed for all ages and skill levels – from beginners to experienced creators – and offer a fun, hands-on way to learn from professional artists in a relaxed and welcoming setting.

Workshop details, dates, and booking information can be found on the gallery's website: www.mainstreetgallerymukinbudin.com/workshops

Warm regards,
The Mainstreet Gallery Mukinbudin Team

EPOXY FLOOR COATING

PREMIUM EPOXY FLOOR COATING

RED offers premium epoxy floor coating services for farming, agricultural and industrial sites across Western Australia.

Providing farms and businesses with durable, chemical-resistant flooring.

With a focus on quality and compliance, RED's epoxy coatings protect concrete surfaces from oils, chemicals, and wear, ensuring long-lasting safety and easy maintenance.

FLOOR MARKINGS

Floor markings are essential for meeting OHS regulations in factories, warehouses, and workplaces that enhance safety by clearly designating pedestrian pathways, vehicle zones, and hazard areas.

Using standard colour codes: yellow for caution, red for danger, green for safety, as well as non-slip grated epoxy additives. RED's durable epoxy markings clearly define pedestrian paths, vehicle zones, and hazard areas, reducing accidents and enhancing workflow.

CHEMICAL SHEDS

REDs seamless, non-slip finish enhances safety in high-traffic areas, providing a resilient solution that stands up to oils, chemicals, and heavy use.

With RED, Wheatbelt operations get expert service and flooring designed to last.

With over 20 years of experience, Guy Mouritz, Director of RED, combines his extensive background in construction and expertise in concrete, including grinding, levelling, grouting, sealants and repair, specialising in high-quality flooring specifically for the agricultural industry.
