

Shire works

Rock pitching of the new dry river bed landscape at the end of Wolfram Street is progressing well although is going to take some time and effort.

Pete has been hard at work completing the decking for the two new worker houses, with great progress being made.

Warm Water Pool

We've already had a few people come down and enjoy a swim.

After making a few adjustments to the temperature and keeping the pool blanket on overnight and between sessions, we've found a great way to keep the pool warm and comfortable.

If you would like to book a swim, please contact the Shire Office.

A minimum of 2 people and a maximum of 6 people are required per session.

We would also like to take the opportunity to say a huge thank you to Simmo and Megan for generously volunteering their time to help get the warm water pool up and running.

\$100 fuel support payment

Don't forget to claim your \$100 fuel support payment from the servicewa app. There are paper forms in the shire office if you are unable to do it online. Paper forms can take up to 8 weeks to be processed due to high demand.

More information on **what the payment is and how to claim** can be found on the [WA.gov.au](https://www.wa.gov.au) website or scan the QR code.

WESTONIA GOLF CLUB

Sunday the 28th June saw our second round of championships, the Allan Day Memorial round, being played. Thank you again to the Day family for your continued support of the Golf Club. Winners for the day were Lani Hale on 76 for the women and Harry Day on 77 for the men. The last and final round of the Championships will be played on Sunday the 9th August.

All members were out in full over the last week to spruce up the course and Club House for the Men's Peter Della Bosca Cup and the Ladies Della Bosca Transport Open Day played on Sunday 5th July.

Thank you also to the Club workers and members for all their efforts. The course and the Club house looked fantastic and the ever supply of food from the kitchen was amazing. Thank you to Kila for her inspirational decorating ideas for the Club house.

With a contingent of 14 women and 40 men taking to the course it was one of the biggest fields for some time. It was a treat for all of us to welcome back our Life Members Renae and JC Corsini for the day. A special thank you to our sponsors Brad from Custom Cut and Tim, Kila and Lockie Della Bosca from Della Bosca Transport.

WESTONIA GOLF CLUB

Congratulations to all players but especially our winners for the day. Women's Net winner was Lani Hale. Runner up Net was Sharen Bright. Women's Gross winner was Denise O'Hern. Runner up Gross was Renae Corsini. Next years winner was Crystal Pascoe.

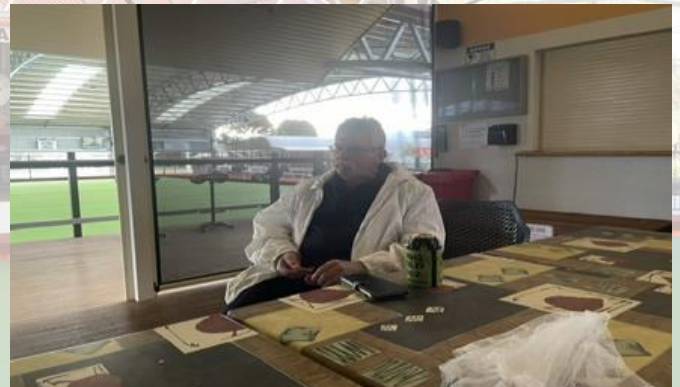

Men's Net winner was Ashley Geier. Runner up net winner was Corey Harkin. Men's Gross winner was Campbell Sedgewick on a count back from Peter Elliot who was the runner up men's Gross winner. The men's narga award went to Tom O'Connell.

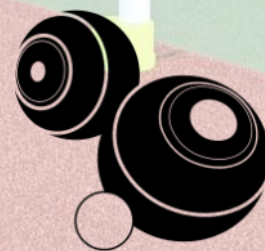

WESTONIA BOWLING CLUB

Social Bowls will continue on Saturday whilst we still have the numbers coming down. Welcome back to the fold Michael Lloyd after a long hiatus. Michael was our winner for Saturday 4th July game where the winner takes all.

The league fixtures meeting was attended by Kay Geier and Ainslie Faithfull on Monday 6th July. Some new changes to the fixtures this year will be the League Champ of Champ Pairs, ladies and men, being played on the same day and at the same venue. The Champ of Champ Singles will also follow this format.

Day Trip Ideas

We are a little stuck on what everyone who like to do as day trips.

Do you know anywhere that everyone would like to go for a cuppa or Lunch at a pub even a walk around a museum? If you have any idea's on what we can do for a few day trips give the shire a call and we will makeup an list of ideas for the next trip.

Introducing AusAlert™

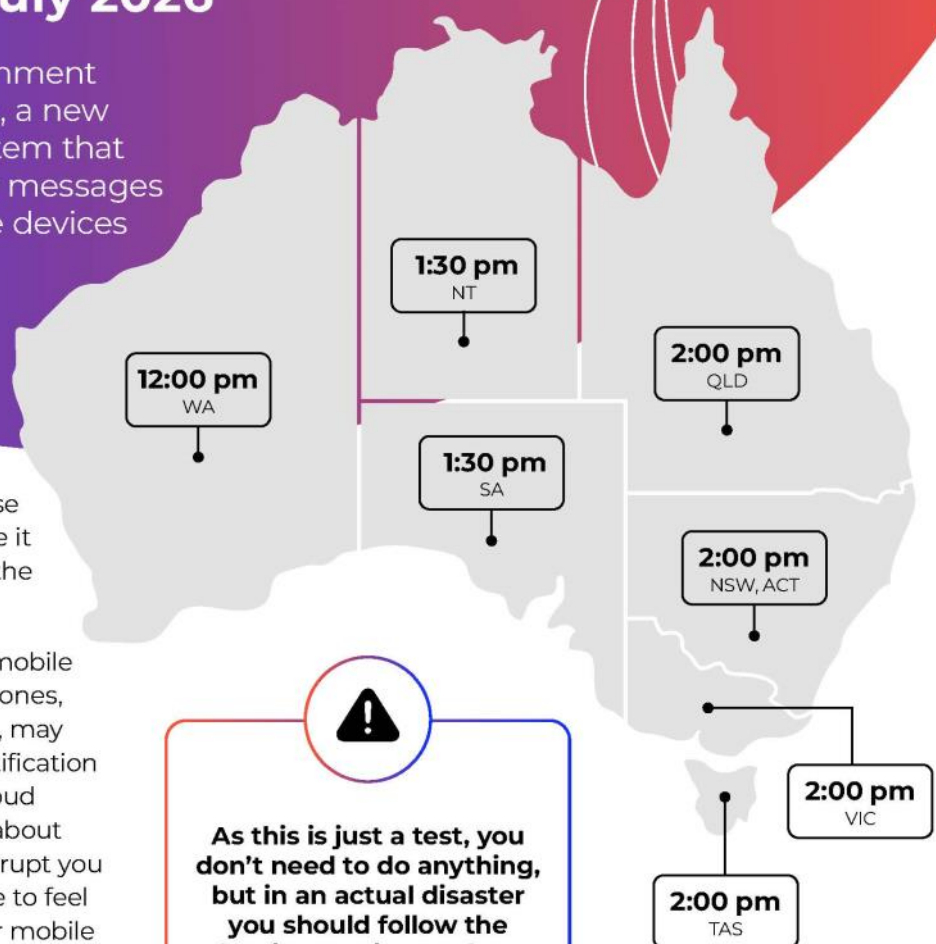

and the AusAlert national test

Monday 27 July 2026

The Australian Government is launching AusAlert, a new national warning system that can send emergency messages to compatible mobile devices in times of disaster.

AusAlert will be ready to use in October 2026, but before it launches, we need to test the system across Australia.

On **Monday 27 July**, your mobile devices, such as mobile phones, tablets and smart watches, may receive a test alert. The notification will vibrate and include a loud siren-like sound that lasts about 10 seconds. If this could disrupt you or cause you or a loved one to feel unsafe, please turn off your mobile devices or switch them to aeroplane mode before the scheduled test time in your location, and leave them off for at least one hour.

As this is just a test, you don't need to do anything, but in an actual disaster you should follow the alert instructions to keep yourself and others safe.

For more information, visit ausalert.gov.au

SHARE YOUR VOICE. STRENGTHEN RURAL HEALTHCARE

UWA and Curtin want to make sure we are training future doctors who can care for people living in regional, rural and remote communities across WA. To do this, we need to think carefully about how we choose students for medical school in WA.

We want to hear your views on how these selection processes could better reflect the needs and experiences of people living outside metropolitan Perth. We're inviting community members to either a small group or individual discussion to help us understand our community's expectations.

EXPERIENCE REQUIRED:

- Experience as someone who has accessed healthcare while living in a regional, rural or remote area.
- Experience as someone who has interacted with the health system as a patient or carer, or has faced hurdles to accessing safe, timely care.
